Mannatech Announces Preliminary Results of Tender Offer

(Flower Mound, Texas) June 26, 2020 – [Mannatech, Incorporated](#) ("Mannatech" or the "Company") (NASDAQ: [MTEX](#)), a global health and wellness company committed to transforming lives to make a better world, announced today the preliminary results of its modified Dutch auction tender offer, which expired at 12:00 midnight, New York City time, at the end of Thursday, June 25, 2020, to purchase up to an aggregate of \$5 million in value of its outstanding common stock, par value \$0.0001 per share, at a per share price not greater than \$17.00 nor less than \$15.00 per share (the "tender offer").

Based on the preliminary count by Computershare Trust Company, N.A., the depositary for the tender offer (the "Depositary"), a total of 341,596 shares of common stock of the Company were properly tendered and not properly withdrawn at or below the price of \$17.00 per share, excluding 500 shares that were tendered by notice of guaranteed delivery. Due to the tender offer being oversubscribed, the Company expects to purchase only a prorated portion of the shares of common stock properly tendered by each tendering shareholder (other than "odd lot" holders whose shares will be purchased on a priority basis) at or below the final per share purchase price.

In accordance with the terms and conditions of the tender offer and based on a preliminary count by the Depositary, the Company expects to accept for payment a total of 294,117 shares of common stock of the Company at a cash purchase price of \$17.00 per share, for a total cash cost of approximately \$5 million, excluding fees and expenses relating to the tender offer. Such shares of common stock represented approximately 12.31% of the Company's total outstanding shares as of April 30, 2020.

The Company anticipates to fund the share purchase in the tender offer from cash on hand.

The number of shares expected to be purchased in the tender offer, the cash purchase price per share, and the aggregate cash purchase price are preliminary and subject to change and are based on the assumption that all shares tendered through notice of guaranteed delivery will be delivered within the two trading day settlement period. The final number of shares to be purchased in the tender offer, the final cash purchase price per share, and the final aggregate cash purchase price will be announced following the expiration of the guaranteed delivery period and the completion of the confirmation process by the Depositary. Payment for the shares accepted for purchase pursuant to the tender offer will occur promptly thereafter.

The Company's tender offer was made pursuant to an Offer to Purchase and Letter of Transmittal, each dated May 29, 2020.
