Mannatech Reports Second Quarter 2013 Financial Results

(COPPELL, Texas) July 31, 2013 — Mannatech, Incorporated (NASDAQ: MTEX), a leading developer and provider of nutritional supplements and skin care products based on Real Food Technology® solutions, today reported a net income of \$0.8 million, or \$0.30 per diluted share, for the second quarter ending June 30, 2013, as compared to a net loss of \$2.5 million, or \$0.93 per diluted share, for the second quarter of 2012. Net sales for the second quarter of 2013 were \$44.8 million, an increase of 2.7% as compared to \$43.6 million in the second quarter of 2012.

Net sales for North America declined 6.6% to \$21.3 million as compared to \$22.8 million in the second quarter of 2012. This decline in revenue was primarily due to a decrease in the revenue generated per active associate and member.

Net sales for Asia/Pacific increased 17.1% to \$19.9 million as compared to \$17.0 million in the second quarter 2012 due to an increase in the number of active associates. This increase in revenue was due to an increase in the number of active associates and members and an increase in the revenue generated per active associate and member.

Net sales for Europe, the Middle East and Africa ("EMEA") declined 5.2% to \$3.6 million as compared to \$3.8 million in the second quarter of 2012. This decline was due to the unfavorable impact on net sales of fluctuations in foreign currency exchange rates.

Recruiting increased 31.2% in the second quarter 2013 as compared to the second quarter of 2012. The number of new independent associates and members for the second quarter of 2013 was approximately 36,200, as compared to 27,600 in 2012. The total number of independent associates and members based on a 12-month trailing period was approximately 240,000 as of June 30, 2013, as compared to 230,000 as of June 30, 2012.

Dr. Robert Sinnott, CEO & Chief Science Officer, commented, "We are optimistic the business climate will continue to improve. The net increase in active associates and members appears to be reversing the sales trend and our continual improvement in operating efficiencies is producing profit as well as positive cash flow."

Mannatech will host a conference call to discuss the quarter's results with investors on Wednesday, August 7, 2013 at 9 a.m. CDT, 10 a.m. EDT. The live call will be webcast and can be accessed on Mannatech's website at http://ir.mannatech.com.

For those unable to listen to the live broadcast, a replay will be available shortly after the call. The toll-free replay number is (855) 859-2056 (International (404) 537-3406); the Conference ID to access the call is 25004753.
