- Proposal 2 - To ratify the appointment of BDO USA, LLP as our independent registered public accounting firm, for the year ending December 31, 2013.
- Proposal 3 - To hold an advisory vote on executive compensation ("Say-on-Pay").
- Proposal 4 - To hold an advisory vote on the frequency of future advisory votes on executive compensation ("Say-on-Frequency").

and

- To act upon such other matters as may properly come before our annual meeting.

Our Board of Directors has set the close of business on April 12, 2013 as the record date for the determination of shareholders entitled to receive notice of and to vote at our 2013 Annual Shareholders' Meeting or any adjournment(s) thereof.

By order of our Board of Directors,

J. Stanley Fredrick
Chairman of the Board of Directors

Coppell, Texas
April 23, 2013

IMPORTANT

Whether or not you expect to attend the 2013 Annual Shareholders' Meeting, we strongly urge you to cast your vote by telephone or through the Internet by following the instructions included on the Notice of Internet Availability of Proxy Materials that you received, or if you received a paper copy of the proxy card, to mark, date, sign and return the proxy card in the envelope provided, prior to the meeting on June 5, 2013, to help ensure the presence of a quorum for the meeting and to save the expense and extra work of additional solicitation. Voting by proxy by any method prior to the meeting will not prevent you from attending the 2013 Annual Shareholders' Meeting or revoking your prior vote and voting at the 2013 Annual Shareholders' Meeting.

In accordance with rules promulgated by the SEC, we are providing access to our proxy materials, including this proxy statement and our annual report on Form 10-K, for the year ended December 31, 2012, over the Internet. As a result, we are mailing to many of our shareholders a Notice of Internet Availability of Proxy Materials instead of a paper copy of our proxy materials. The notice contains instructions on how to access those proxy materials over the Internet, as well as instructions on how to request a paper copy of our proxy materials. All shareholders who do not receive a notice will receive a paper copy of our proxy materials by mail. We believe that this process reduces the environmental impact and lowers the costs of printing and distributing our proxy materials.

PROXY STATEMENT FOR OUR 2013 ANNUAL SHAREHOLDERS' MEETING
TO BE HELD ON JUNE 5, 2013

GENERAL INFORMATION ABOUT OUR 2013 ANNUAL SHAREHOLDERS' MEETING

General Information

Our Board of Directors (the "Board") is soliciting the enclosed proxy for use at our 2013 Annual Shareholders' Meeting to be held on June 5, 2013 at 9:00 a.m., Central Daylight Time, at the Grapevine Convention Center located at 1209 South Main Street, Grapevine, Texas. The Notice of Internet Availability of Proxy Materials is being mailed or delivered on or about April 26, 2013, to shareholders of record owning our common stock on the close of business on April 12, 2013. Paper copies of our proxy materials are being mailed or delivered on or about April 26, 2013, to shareholders of record who have previously requested to receive paper copies of proxy materials. The list of frequently asked questions is attached to this proxy statement as *Appendix A*. Unless otherwise stated, all references in this proxy statement to "Mannatech," the "Company," "us," "our," or "we" are to Mannatech, Incorporated, a Texas corporation.

Shareholders Entitled to Vote

Shareholders who owned our common stock as of the close of business on April 12, 2013, the record date, are called "*shareholders of record*" and are entitled to vote at the 2013 Annual Shareholders' Meeting. As of April 12, 2013, we had 2,647,735 outstanding shares of our common stock, \$0.0001 par value per share, which is our only class of outstanding voting securities. As of April 12, 2013, we had 1,295 shareholders of record. Each share of our common stock entitles a shareholder to one vote. A complete list of direct shareholders entitled to vote at the 2013 Annual Shareholders' Meeting will be available for examination by shareholders for purposes pertaining to the 2013 Annual Shareholders' Meeting at our corporate headquarters in Coppell, Texas during normal business hours from May 24, 2013 until June 4, 2013. The shareholder list will also be available for review prior to and during the 2013 Annual Shareholders' Meeting to be held on June 5, 2013. A shareholder who wants to examine the list prior to our Annual Shareholders' Meeting should arrange an appointment by contacting our Investor Relations department at (972) 471-6512.

Voting in Person

If you are a shareholder of record and plan to attend the 2013 Annual Shareholders' Meeting, you may deliver your completed and signed proxy card in person. If a broker or bank holds your Mannatech shares in street name, and you wish to vote in person at the 2013 Annual Shareholders' Meeting, you will need to obtain a legal proxy form from your broker or bank that holds your shares of record and you must bring that document to the 2013 Annual Shareholders' Meeting.

Voting by Proxy

The proxy process is the means by which shareholders can exercise their rights to vote for the election of directors and other strategic corporate proposals. The notice of meeting and this proxy statement provide notice of a scheduled shareholder meeting, describe the directors presented for re-election, include information regarding the selection of BDO USA, LLP as our independent registered public accounting firm for 2013 and include other information required to be disclosed to shareholders. Shareholders may vote by telephone, through the Internet, or by returning a proxy card, without having to attend the shareholder meeting in person.

[Table of Contents](#)

By executing a proxy, you authorize Larry A. Jobe, to act as your proxy to vote your shares in the manner that you specify. The proxy voting mechanism is vitally important to us. In order for us to obtain the necessary shareholder approval of proposals, a “quorum” of shareholders (a majority of the issued and outstanding shares of common stock as of the record date entitled to vote) must be represented at the meeting in person or by proxy. Since few shareholders can spend the time or money to attend shareholder meetings in person, voting by proxy is necessary to obtain a quorum and complete the shareholder vote. It is important that you attend the meeting in person or grant a proxy to vote your shares to assure a quorum is present so corporate business may be transacted. If a quorum is not present, we must postpone the meeting and solicit additional proxies; this is an expensive and time-consuming process that is not in the best interest of the Company or our shareholders.

Properly executed votes by proxy received prior to or at the 2013 Annual Shareholders’ Meeting on June 5, 2013 or at any adjournment(s) or postponement(s) thereof will be counted by Broadridge Financial Solutions, Inc., our Inspector of Elections. If a shareholder specifies how such shareholder’s proxy-vote is to be cast on any business to come before the meeting, such proxy-vote will be voted in accordance with such specifications. If no specification is made on a properly executed proxy card, the shareholder’s vote by proxy will be voted “FOR” each of our 4 proposals consistent with the recommendations made by the Board.

Revoking or Changing a Proxy

A shareholder may revoke a vote by proxy at any time prior to the 2013 Annual Shareholders’ Meeting. If you are a shareholder of record with direct ownership over your Mannatech common stock, your proxy can be revoked by (i) timely delivery of a written revocation delivered to Erin Barta, Interim General Counsel, and Corporate Secretary, Mannatech, Incorporated, 600 South Royal Lane, Suite 200, Coppell Texas 75019; (ii) submission of another valid proxy bearing a later date; or (iii) attendance at the 2013 Annual Shareholders’ Meeting in person and notice to the Inspector of Elections that you intend to vote your shares in person. If your Mannatech shares are held in street name by a broker or bank (“broker”), you must contact your broker in order to revoke your proxy, but generally, you may change your vote by submitting new voting instructions to your broker, trustee or nominee, or, if you have obtained a legal proxy from your broker or nominee giving you the right to vote your shares, by attending the 2013 Annual Shareholders’ Meeting and voting in person.

Effects of Not Voting

The effect of not voting depends on how you own your shares. If you own shares directly, as a holder of record, rather than indirectly through a broker of record, your unvoted shares will not be represented at our meeting and will not count toward the quorum requirement. Assuming a quorum is obtained, your unvoted shares will not affect whether a proposal is approved or rejected. If you own shares through a broker and do not vote, your broker may represent your shares at the meeting for purposes of obtaining a quorum. As described below, if you own your shares through a broker and you do not vote, your broker may or may not vote your shares, depending upon the proposal.

If you own your shares through a broker and you do not vote, your broker may vote your shares at its discretion on “routine matters.” However, with respect to other proposals, a broker may not vote a non-voting shareholder’s shares. With respect to proposals on which a broker may not vote a non-voting shareholder’s shares, the aggregate number of non-voted shares is reported as “broker non-votes” (shares held by brokers or nominees for which they have no discretionary power to vote on a particular matter and have received no instructions from the beneficial owners or persons entitled to vote) and counted only for purposes of determining a quorum.

If you do not vote your shares on Proposal 1 (Election of Director), Proposal 3 (“Say-on-Pay” Advisory Vote) and Proposal 4 (“Say-on-Frequency” Advisory Vote), your brokerage firm cannot vote them for you and they will remain unvoted. Therefore, it is very important that you vote your shares for all proposals including the election of directors. Proposal 2 (Ratification of Auditors) set forth in this proxy statement is a routine matter on which brokers will be permitted to vote “broker non-votes” shares.

Direct Ownership

For the purpose of determining how to vote your shares at the 2013 Annual Shareholders' Meeting, registered holders of record are deemed to have "direct ownership" over their Mannatech shares if they hold their shares directly in their name. This is typically evidenced by the receipt of our mailings directly from us or from our transfer agent, Computershare.

Beneficial Ownership

For the purposes of determining how to vote your shares at the 2013 Annual Shareholders' Meeting, you are deemed to have "beneficial ownership" over your Mannatech shares if you: (i) previously deposited your stock certificates with a broker; (ii) purchased your shares directly through a broker; or (iii) sent your stock certificates to a broker to be deposited into your brokerage account. Beneficial ownership is typically evidenced by a shareholder's receipt of our mailings from either a broker or through a solicitor, which is usually Broadridge Financial Solutions, Inc.

As a beneficial owner, a shareholder still holds Mannatech shares, but neither we nor our transfer agent has access to any list of individual shareholders' names from the various brokers of record. The only information our transfer agent has concerning shareholders who own stock through a broker is the broker's name, the aggregate total number of shares held by each broker on behalf of their clients, and the aggregate number of votes cast for any of our proposals.

WE CAUTION OUR SHAREHOLDERS THAT each brokerage firm has a unique set of voting instructions. As a result, a shareholder should *always* read all the information provided in each of the proxy information packets received and follow the specific voting instructions enclosed in each packet with respect to applicable telephone numbers, Internet addresses, mailing addresses, and attending or voting at the 2013 Annual Shareholders' Meeting.

If a shareholder receives more than one proxy information packet, such shareholder's shares are registered in more than one account. Again, remember that each proxy information packet may have different voting instructions, account or control numbers, mailing addresses, Internet addresses, and telephone numbers. As a result, each shareholder should be cautioned to use only the set of voting instructions, account and control numbers, addresses, and telephone numbers provided in such shareholder's proxy information packet to ensure such shareholder's vote for all of its owned shares is properly included in the tabulation of votes for our meeting.

Beneficial shareholders are also instructed to read their proxy-voting card instructions given to them by their brokers or their brokers' solicitors prior to the meeting in order to obtain instructions on how to vote at the meeting. If a beneficial shareholder does not follow the brokers' specific instructions, our Inspector of Elections is not allowed to count such beneficial shareholder's vote by ballot at the 2013 Annual Shareholders' Meeting.

Tabulating the Votes

A representative from Broadridge Financial Solutions, Inc., which will act as our Inspector of Elections, is responsible for tabulating the votes for the 2013 Annual Shareholders' Meeting. The presence, in person or by proxy, of the holders of at least a majority of the shares of our common stock outstanding as of April 12, 2013, our record date, is necessary to establish a quorum for the 2013 Annual Shareholders' Meeting. Abstentions and "broker non-votes," if any, will be counted as shares present and entitled to vote for purposes of determining a quorum for the 2013 Annual Shareholders' Meeting. A "broker non-vote" occurs when brokers do not receive a properly executed proxy and, therefore, have not been given discretionary power to vote shares on behalf of the beneficial holders thereof. If a proxy-voting card is signed by the shareholder but submitted without specific voting instructions, the shareholder's vote will automatically be counted as a vote "FOR" Proposal 1 (Election of Director), Proposal 2 (Ratification of Auditors), Proposal 3 ("Say-on-Pay" Advisory Vote) and Proposal 4 ("Say-on-Frequency" Advisory Vote).

For **Proposal 1 (Election of Director)** — Assuming a quorum is obtained, our Class II director will be elected by a plurality of the shares represented, in person or by proxy, at the 2013 Annual Shareholders' Meeting and entitled to vote. Votes marked "FOR" will be counted in favor of the nominee. Votes marked "WITHHOLD" will be counted against the nominee. Shareholders may not abstain from voting with respect to the election of directors.

A shareholder cannot write-in the names of additional nominees when voting by proxy. However, at the meeting, shareholders of record will be allowed to write-in an additional name of a nominee on the ballot. To write-in a nominee on the ballot, the shareholder will need to check the "WITHHOLD" box. The shareholder will then be allowed to write-in the nominee.

(THE BOARD RECOMMENDS A VOTE "FOR" PROPOSAL 1.)

For **Proposal 2 (Ratification of Auditors)** — If a quorum is obtained, and a majority of the shares represented, in person or by proxy, at the 2013 Annual Shareholders' Meeting and entitled to vote, are in favor of Proposal 2, the ratification of the appointment of our independent registered public accounting firm for the year ended December 31, 2013, will be approved. Votes marked "FOR" Proposal 2 will be counted in favor of the ratification of the appointment of our independent registered public accounting firm for the year ended December 31, 2013. An abstention from voting on Proposal 2 will not be voted on that item, although it will be counted for purposes of determining the number of shares represented and entitled to vote. Accordingly, an "ABSTENTION" will have the same effect as a vote "AGAINST" Proposal 2.

(THE BOARD RECOMMENDS A VOTE "FOR" PROPOSAL 2.)

For **Proposal 3 ("Say-on-Pay" Advisory Vote)** — If a quorum is obtained, and a majority of shares represented, in person or by proxy, at the 2013 Annual Shareholders' Meeting and entitled to vote, are in favor of Proposal 3 the current executive compensation program will be approved by shareholders on an advisory basis. Votes marked "FOR" Proposal 3 will be counted in favor of the current executive compensation program. An abstention from voting on Proposal 3 will not be voted on that item, although it will be counted for purposes of determining the number of shares represented and entitled to vote. Accordingly, an "ABSTENTION" will have the same effect as a vote "AGAINST" Proposal 3. "Broker non-votes" will not be counted as votes cast "FOR" or "AGAINST" Proposal 3 and thus will have no effect on the outcome of the approval, on an advisory basis, of our executive compensation program.

(THE BOARD RECOMMENDS A VOTE "FOR" PROPOSAL 3.)

For **Proposal 4 ("Say-on-Frequency" Advisory Vote)** — If a quorum is obtained, the selection of the frequency of a shareholder advisory vote on executive compensation will be chosen by a plurality of the shares represented, in person or by proxy, at the 2013 Annual Shareholders' Meeting and entitled to vote. This means the frequency receiving the highest number of affirmative votes at the meeting will be the frequency of future "Say-on-Pay" shareholder advisory votes that has been selected by our shareholders. For purposes of the vote on Proposal 4, "ABSTENTION" and "broker non-votes" will have no effect on the outcome of the selection, on an advisory basis, of the frequency for an advisory vote on executive compensation.

(THE BOARD RECOMMENDS THAT SHAREHOLDERS VOTE FOR CONDUCTING FUTURE VOTES ON EXECUTIVE COMPENSATION EVERY THREE YEARS)

Solicitation of Proxy-Votes

We may solicit proxy-votes through the mail, in person, and by telecommunications. We will bear all expenses in preparing, printing, and mailing the proxy materials to our shareholders.

Admission and Voting at Our 2013 Annual Shareholders' Meeting

Voting at the 2013 Annual Shareholders' Meeting is limited to shareholders of record having evidence of ownership as of the record date, April 12, 2013. If your shares are NOT held in your name, we may require you to show evidence of your ownership at our meeting. Evidence typically includes your proxy-voting card or your brokerage statement showing proof of stock ownership as of the close of business on April 12, 2013, such as your April 2013 brokerage statement or a printout of shares held at the close of April 12, 2013. At our 2013 Annual Shareholders' Meeting, shareholders of record will be given a ballot upon verification of stock ownership.

We will not allow any cameras or recording equipment in the meeting room. As a courtesy and as time permits, we will provide a brief question and answer period for our shareholders of record.

Shareholders of record will be given ballots upon verification of stock ownership. REMEMBER that beneficial shareholders must obtain a power of attorney form or legal proxy from their brokers prior to the meeting in order for their votes by ballot to be counted since their brokers may have already reported their shares as "broker non-votes". **Prior to our June 5, 2013 meeting, beneficial shareholders are strongly urged to read their proxy-voting card instructions on how to vote at our 2013 Annual Shareholders' Meeting. They should also contact their brokers by the Monday prior to our 2013 Annual Shareholders' Meeting to ensure they obtain the proper paperwork in order to vote at our meeting. If a beneficial shareholder does not follow its broker's instructions, our Inspector of Elections will not count such shareholder's vote by ballot at the 2013 Annual Shareholders' Meeting.** The instructions are usually located on the back of each proxy-voting card.

Shareholder Procedures for Nominating Board Members or Introducing Proposals

a) For the 2013 Annual Shareholders' Meeting

For the 2013 Annual Shareholders' Meeting, the deadline for recommending a nominee for nomination to the Board expired on December 31, 2012. A shareholder of record is prohibited from writing in nominees for the Board on their proxy-voting card. However, a shareholder of record may write-in nominees for the Board on its ballot at the 2013 Annual Shareholders' Meeting by following the instructions outlined above on page 5, under the heading "*Tabulating the Votes.*" We reserve the right to reject, rule out-of-order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

The deadline for submitting written shareholder proposals that comply with all applicable provisions of Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and are intended to be presented at our 2013 Annual Shareholders' Meeting for inclusion in our proxy statement and proxy-voting card expired on December 19, 2012.

Subject and pursuant to Rule 14a-4(c)(1) under the Exchange Act, we have not been given notice of any shareholder proposals intended to be presented at the 2013 Annual Shareholders' Meeting without inclusion in our proxy statement. Because we did not receive notice of any shareholder proposals intended to be presented at the 2013 Annual Shareholders' Meeting by March 4, 2013, your properly executed proxy card will confer discretionary authority on the holder of your proxy to vote your shares, in the manner the holder so chooses, on any such shareholder proposals properly presented at the 2013 Annual Shareholders' Meeting. The Board reserves the right to reject, rule out-of-order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements. We also did not receive any nominees for directors from shareholders for the 2013 Annual Shareholders' Meeting.

b) For our 2014 Annual Shareholders' Meeting

Under our Fourth Amended and Restated Bylaws, dated August 8, 2001, as amended (our "Bylaws"), the Nominating, Governance and Compliance Committee of our Board of Directors recommends all candidates for nomination to the Board. If a shareholder would like our Nominating, Governance and Compliance Committee to consider specific candidates for nomination to the Board, a shareholder should deliver written notice to our Chief Financial Officer at our United States corporate headquarters, located at 600 S. Royal Lane, Suite 200, Coppell, Texas 75019, or by fax at (972) 471-5642. Written notice of such proposed candidates for director should be delivered no later than December 31, 2013 to allow the Board time to consider such persons for nomination at our 2014 Annual Shareholders' Meeting and to include nominees in our 2014 proxy statement and form of proxy. The written notice should include the candidates' full name, age, biographical background, and qualifications.

[Table of Contents](#)

Our Chief Financial Officer is required to forward all received written notices to our Nominating, Governance and Compliance Committee. Our Nominating, Governance and Compliance Committee consists of four independent directors who review each proposed candidate and submit a recommended list of proposed candidates to the Board. The Board then approves a list of proposed candidates, which are the only nominees that are listed on our ballot, the proxy-voting card, and our proxy statement on Schedule 14A. We expect to file our 2014 proxy statement with the SEC on or before April 30, 2014.

Proposals by shareholders that comply with all applicable provisions of Rule 14a-8 under the Exchange Act and are intended to be presented at our 2014 Annual Shareholders' Meeting must be delivered in writing to our Chief Financial Officer at our United States corporate offices, on or before December 27, 2013, in order to be eligible for inclusion in our 2014 proxy statement and proxy-voting card.

Subject to and pursuant to Rule 14a-4(c)(1) under the Exchange Act if a shareholder proposal is intended to be presented at our 2014 Annual Shareholders' Meeting without inclusion in our 2014 proxy statement, and notice of such proposal is not submitted in writing to our Chief Financial Officer by March 12, 2014, then with regard to any such shareholder proposals, a properly executed proxy card for our 2014 Annual Shareholders' Meeting will confer discretionary authority on the holder of a shareholder's proxy to vote such shareholder's shares in the manner the proxy holder so chooses. However, the Board reserves the right to reject, rule out-of-order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

A copy of our Bylaws is published on our corporate website or may be obtained upon written request to our Interim General Counsel, and Corporate Secretary, Mrs. Erin K. Barta, at our United States headquarters located at 600 S. Royal Lane, Suite 200, Coppell, Texas 75019. In addition, our Bylaws were furnished as Exhibits 3.2 and 3.1 to our Form 10-K and Form 8-K, respectively, filed with the SEC on March 16, 2007 and December 6, 2007, respectively.

PROPOSAL 1 — ELECTION OF DIRECTORS

Our Bylaws provide for a classified Board, divided into three staggered classes – I, II, and III. The terms of office for each of these classes are scheduled to expire on the date of our annual shareholders’ meeting in 2015, 2013, and 2014, respectively. Class II is comprised of two directors and one Class II board seat is up for election at the 2013 Annual Shareholders’ Meeting. Pat Wier, a former Class II director, retired from the Board on July 31, 2012. The Board has determined to leave this position vacant pending identification of a qualified nominee; therefore only one Class II director will be elected at our 2013 Annual Shareholders’ Meeting.

Nominees. The Board has nominated Mr. J. Stanley Fredrick as nominee for election as our Class II director. Once elected, our Class II director’s term will expire on the earlier of the date of our 2016 Annual Shareholders’ Meeting or the date of such director’s disqualification, resignation, death, or removal. The nominee’s biographical information is as follows:

- **J. Stanley Fredrick** has served as a Class II director since September 2001. His current term as director expires in 2013. From November 2003 through January 2009, Mr. Fredrick served as the Lead Director for the Board. In January 2009, Mr. Fredrick was elected to serve as the Chairman of the Board of Directors. In 2003, Mr. Fredrick was a founding board member of Professional Bank in Dallas, Texas, a boutique bank that provided certain financial resources to its customers. PROPOSAL 2 — RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Neither our Articles of Incorporation, Bylaws nor any other applicable legal requirements require shareholder ratification of the selection of our independent registered public accounting firm. However, the Board, as a matter of good corporate governance, has always sought shareholder ratification of the appointment of our independent registered public accounting firm. The Board is seeking shareholder ratification of the appointment of BDO USA, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2013. In the event our shareholders do not ratify our appointment of BDO USA, LLP, the Audit Committee and the Board will reconsider the appointment.

Our Audit Committee appoints our independent registered public accounting firm on an annual basis. The decision is based on a number of factors including the scope of the audit, the independence of the auditors, the estimated audit fees, and any non-auditing services that are performed by the independent registered public accounting firm.

Representatives from BDO USA, LLP will attend the 2013 Annual Shareholders' Meeting and will have the opportunity to make a statement, if they so desire. They will also be available to respond to any appropriate questions from our shareholders.

Pre-Approval Policies and Procedures

Our Audit Committee must preapprove all services provided by our independent registered public accounting firm. The non-audit services, specified in Section 10-A(g) of the Exchange Act may not be provided by our independent registered public accounting firm.

Each year, the approval of the estimated annual audit, audit-related services, and routine tax services takes place at an Audit Committee meeting. In addition, during the course of the year, requests for unforeseen or additional allowable services to be provided by our independent registered public accounting firm must be preapproved by our Audit Committee, except for those qualifying for the "*de minimis exception*." The *de minimis exception* provides that the pre-approval requirements for certain non-audit services may be waived if:

- the aggregate amount of such non-audit services provided constitutes not more than 5% of the total fees paid to our independent registered public accounting firm in the calendar year that such non-audit services are provided;
- such services were recognized as non-audit services at the time they were provided; and
- such services are promptly brought to the attention of our Audit Committee.

Our Audit Committee may delegate to its Chairman the authority to grant pre-approvals. In such event, the decisions of the Chairman of the Audit Committee regarding pre-approvals will then be presented to our full Audit Committee at the next scheduled meeting.

Our independent registered public accounting firm provides a revised estimate for the year, by project, for all planned and approved services to our Chief Financial Officer prior to each Audit Committee annual planning meeting. The revised estimate is then reviewed at our Audit Committee annual planning meeting.

Fees Paid to Our Independent Registered Public Accounting Firm

For the years ended December 31, 2012 and 2011, we were billed the following fees by our current independent registered public accounting firm, BDO USA, LLP as follows:

Type of Service	<u>2012</u>	<u>2011</u>
	<i>(in thousands)</i>	
Audit Fees , including the audit of our consolidated financial statements and annual report on Form 10-K, assessment of our internal control over financial reporting in compliance with Section 404 of the Sarbanes-Oxley Act of 2002, when applicable, review of our quarterly financial statements and quarterly reports filed on Form 10-Q, and international statutory audits	\$ 747	\$ 759
Audit-Related Fees , including fees related to the annual audit of employee 401(k) benefit plan	16	15
Tax Fees , including fees for tax services, tax advice, transfer pricing, state, and international tax consultation	125	140
All Other Fees , related to all other services including expatriation issues and miscellaneous consulting and advisory services	—	—
Total Fees	<u>\$ 888</u>	<u>\$ 914</u>

The “*de minimis exception*” described above was not used for any fees paid to BDO USA, LLP in 2012 and 2011. All fees were pre-approved by our Audit Committee. As of April 3, 2013, we were advised by BDO USA, LLP that neither the firm, nor any member of its firm, had any direct or indirect financial interest in any capacity in our Company. The members of our Audit Committee believe the payment of all fees set forth above did not prohibit BDO USA, LLP from maintaining its independence.

(THE BOARD RECOMMENDS A VOTE “FOR” THE RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT REGISTERED ACCOUNTING FIRM.)

PROPOSAL 3 — ADVISORY VOTE ON EXECUTIVE COMPENSATION (“SAY-ON-PAY”)

In accordance with Section 14A(a)(1) of the Exchange Act implementing Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, we are submitting to our shareholders the opportunity to vote on a non-binding advisory resolution to approve the compensation program for our Named Executive Officers, which is described in the section titled “Executive Compensation” in this Proxy Statement. Accordingly, the following resolution is submitted for a shareholder advisory vote at the 2013 Annual Shareholders’ Meeting:

“RESOLVED, that the shareholders of Mannatech, Incorporated approve, on an advisory basis, the overall compensation of the Company’s Named Executive Officers, as disclosed pursuant to Item 402 of Regulation S-K of the regulations promulgated by the SEC, including the section entitled “Executive Compensation,” and the accompanying compensation tables and the corresponding narrative discussion and footnotes set forth in the Proxy Statement for the 2013 Annual Shareholders’ Meeting.”

As described in the section titled “Executive Compensation” our executive compensation program is designed to provide a competitive level of compensation necessary to attract, motivate, and retain talented and experienced executives and to motivate them to achieve short-term and long-term objectives that enhance shareholder value.

This vote is merely advisory and will not be binding upon the Company and the Board. However, the Compensation and Stock Option Plan Committee, which is responsible for designing and administering the Company’s executive compensation program, values constructive dialogue on executive compensation and other important governance topics with the Company’s shareholders and encourages all shareholders to vote their shares on this matter.

(OUR BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” “SAY-ON-PAY”.)

PROPOSAL 4 — ADVISORY VOTE ON THE FREQUENCY OF ADVISORY VOTES ON EXECUTIVE COMPENSATION (“SAY-ON-FREQUENCY”)

In accordance with Section 14A(a)(1) of the Exchange Act implementing Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, we are providing our shareholders the opportunity to cast a non-binding advisory vote on whether future non-binding advisory votes on the compensation of the Company’s Named Executive Officers should occur every one, two, or three years. The Board recommends that shareholders vote to hold an advisory vote on executive compensation every THREE years, or a triennial vote.

You may cast your vote by choosing one year, two years, or three years when you vote for the resolution set forth below.

“RESOLVED, that the highest number of votes cast by the shareholders of Mannatech, Incorporated for the following options will determine the preferred frequency with which Mannatech, Incorporated is to hold a stockholder vote to approve, on a non-binding basis, the executive compensation of its Named Executive Officers included in the Proxy Statement: (a) every year, or (b) every two years, or (c) every three years.”

After careful consideration, the Board believes that a triennial, non-binding advisory vote complements our goal to create a compensation program that enhances long-term shareholder value. As described in the section titled “Executive Compensation,” our executive compensation program is designed to motivate executives to achieve short-term and long-term corporate goals that enhance shareholder value. A triennial vote will provide shareholders the ability to compare the Company’s compensation program to the long-term performance of the Company. Three years will give the Compensation Committee sufficient time to fully analyze the Company’s compensation program (as compared to the Company’s performance over the same period) and to implement necessary changes. The Board believes anything less than a triennial vote, or a vote every three years, could detract from the long-term interests and goals of the Company.

This advisory vote on the frequency of future advisory votes on executive compensation is non-binding on the Company and the Board. Notwithstanding the Board’s recommendation and the outcome of the shareholder advisory vote, the Board may in the future decide to conduct advisory votes on a more or less frequent basis and may vary its practice based on factors such as discussion with shareholders and the adoption of material changes to compensation programs.

(OUR BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE FOR CONDUCTING FUTURE VOTES ON EXECUTIVE COMPENSATION EVERY “THREE YEARS”)

Mr. Gilbert served as General Counsel to the Direct Selling Association and as General Counsel to the World Federation of Direct Selling Associations. Larry A. Jobe brings to the Board extensive experience in management, finance and auditing. Mr. Jobe also has significant experience serving on other public company boards. Mr. Jobe's considerable experience in public accounting and in evaluating financial statements makes him particularly well-suited to serve as chair of the Audit Committee. Alan D. Kennedy brings to the Board over 30 years of experience with various direct selling companies. Mr. Kennedy shares with the Board extensive knowledge of operations, sales, and marketing which he acquired through his executive experience with various public direct selling companies, such as Tupperware Corporation, Nature's Sunshine Products, Inc., and Avon Products, Inc.

Having served in various leadership positions of Avon International, Mr. Toth has an in-depth understanding of the direct selling industry.

Consideration of Director Nominees

Although the Board has not formally established criteria for Board membership, the Board does consider several factors before recommending a candidate for Board membership. These factors include the following:

- the experience level, mix of skills and other business qualities a potential nominee may possess;
- the general experience and skill levels of current Board members;
- the potential nominee's experience with accounting rules and practices;
- the verification of background, work, and education of a potential nominee; and
- other factors as the Nominating, Governance and Compliance Committee may deem in the best interests of our shareholders.

In addition, the Nominating, Governance and Compliance Committee will recommend director candidates in order to ensure that:

- a majority of the Board of Directors are "independent" as defined by NASDAQ and SEC rules;
- each of the Audit, Compensation and Stock Option Plan, and Nominating, Governance and Compliance Committees are comprised entirely of independent directors; and
- at least one member of the Audit Committee has the experience, education and qualifications necessary to qualify as an "audit committee financial expert" as defined by the SEC.

The Nominating, Governance and Compliance Committee may solicit recommendations for director nominees from any or all of the following sources: non-management directors, executive officers, third-party search firms or any other source it deems appropriate. The Nominating, Governance and Compliance Committee will review and evaluate the qualifications of any proposed director candidate that it is considering or that has been properly recommended to it by a shareholder and conduct inquiries it deems appropriate into the background of these proposed director candidates. When nominating a director for re-election, the Nominating, Governance and Compliance Committee will also consider the director's past performance on the Board. The Nominating, Governance and Compliance Committee will evaluate all proposed director candidates based on the same criteria, with no regard to the source of the initial recommendation of the proposed director candidate.

The Nominating, Governance and Compliance Committee does not have a formal policy with respect to diversity; however, the Board and the Nominating, Governance and Compliance Committee believe it is important that Board members represent diverse viewpoints. In considering candidates, the Nominating, Governance and Compliance Committee considers the entirety of each candidate's credentials, including such candidate's diverse skills, experience and qualifications.

Board Leadership Structure and Role in Risk Oversight

Meetings of the Board are presided over by the Chairman of the Board, currently Mr. Fredrick. Our Bylaws do not require that the Chairman be independent. However, the Board believes in the separation of the Chairman and CEO roles. Therefore, these positions have been separated. Most important among the considerations was that the separation of the Chairman and CEO positions allows our CEO to focus on operational issues and the Chairman to focus on governance and other related issues.

Each member of the Board is sophisticated and has significant business experience. In addition, we believe that the effectiveness of the Board is enhanced by having separate Chairman and CEO positions.

It is management's responsibility to manage risk and bring to the Board's attention any material risks facing the Company. The Board as a whole and through its committees, regularly reviews various areas of significant risk, and advises and directs management on the scope and implementation of policies, strategic initiatives and other actions designed to mitigate various types of risks. Specific examples of risks primarily overseen by the full Board include competition risks, industry risks, economic risks, liquidity risks, business operations risks, regulatory risks and risks posed by significant litigation matters. Our Audit Committee regularly discusses with management and the independent auditors significant financial risk exposures and the processes management has implemented to monitor, control and report such exposures. Specific examples of risks primarily overseen by the Audit Committee include risks related to the preparation of the Company's financial statements, disclosure controls and procedures, internal controls and procedures required by the Sarbanes-Oxley Act of 2002, accounting, financial and auditing risks, matters reported to the Audit Committee through the internal audit department and through anonymous reporting procedures.

In making this determination, the Board has concluded that none of these members has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

(a) Represents the calculated stock-based compensation expense recognized in our consolidated financial statements for the fair value of the option awards in accordance with FASB ASC Topic 718 "Stock Compensation". Assumptions made in the calculation of these amounts are included in Note 11 to our audited financial statements for the fiscal year ended December 31, 2012, included in our Annual Report on Form 10-K filed with the SEC on March 28, 2013.

(b) Represents costs recognized in connection with our stock option exchange program conducted in 2010 and consists of 2012 expenses applicable to the surrendered options, the remaining unamortized compensation cost of the surrendered options, if any, prorated based on the number of days outstanding. There was no incremental stock option expense resulting from the exchange because the fair value of the replacement options was approximately equal to the fair value of the surrendered options they replaced.

However, we do not have a formal policy requiring our directors to own any specific number of shares.

In addition, the employment agreements contain covenants regarding (i) confidentiality and non-disparagement that apply to the executive both during and after employment and (ii) non-competition and non-solicitation that apply to the executive during employment and for one year after termination. 2012 Grants of Plan Based Awards

No stock awards and no stock options were granted to our Named Executive Officers in 2012. Mr. Clark was the only Named Executive Officer to receive an award of stock options in 2011. The Named Executive Officers earned no bonuses pursuant our 2012 management non-equity incentive bonus plans.

Equity Compensation Plan Information

We use stock option plans to encourage investment by our officers, employees, and non-employee directors in shares of our common stock so they will have an increased vested interest in and greater concern for Mannatech's welfare.

We had one stock option plan in effect as of December 31, 2012, which is as follows:

The Board and a majority of our shareholders approved the Mannatech, Incorporated 2008 Stock Incentive Plan in February 2008 and in 2012 amended the plan to increase the number of shares of common stock subject to the plan (as amended, the "2008 Plan"). Our 2008 Plan enables us to attract and retain employees, consultants and directors who will contribute to our long-term success and aligns the interests of those individuals with the interests of our shareholders. Awards of stock options, including incentive and nonstatutory stock options, and restricted stock may be issued under our 2008 Plan. The Compensation and Stock Option Plan Committee administers the 2008 Plan.

There are 200,000 shares of our common stock currently reserved for issuance under our 2008 Plan, which does not include certain shares available for issuance under our predecessor stock plan. In the event of certain changes to our common stock, including due to a merger, consolidation, reorganization, reincorporation, stock dividend, non-cash dividend, stock split, liquidation, combination, stock exchange, or change in corporate structure, we may adjust the number of shares subject to our 2008 Plan and to any outstanding awards.

Generally, the exercise price with respect to stock options granted pursuant to our 2008 Plan cannot be less than 100% of the fair market value per share of our common stock on the date of grant. Unless the Compensation and Stock Option Plan Committee specifies otherwise, in general, stock options vest annually over a two- or three- year period and have a ten-year term.

[Table of Contents](#)

Participants in our 2008 Plan may pay the exercise price for stock options in cash, shares of common stock, via a broker-assisted cashless exercise method or in any other form of legal consideration that the Compensation and Stock Option Plan Committee approves.

Our 2008 Plan also permits awards of restricted shares of our common stock, or restricted stock, and the Compensation and Stock Option Plan Committee determines the vesting schedule for such restricted stock.

If we undergo a change in control or certain other significant corporate transactions, our 2008 Plan provides that we may assume, continue, substitute for, or cancel any outstanding awards. For purposes of our 2008 Plan, a “change in control” generally means (i) the direct or indirect sale, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of our assets to a third-party, (ii) the replacement of the majority of the incumbent members of the Board, (iii) the adoption of a plan relating to our liquidation or dissolution, or (iv) the consummation of any transaction (including a merger or consolidation) that results in a third-party becoming the beneficial owner of more than 50% of our voting power.

In the event that any award under our 2008 Plan is determined to be nonqualified deferred compensation subject to Section 409A of the Code, the award will have to comply with certain technical tax limitations with respect to when awards may be exercised or paid for.

Our 2008 Plan will terminate automatically on February 20, 2018, unless the Board terminates it sooner. The Board may amend our 2008 Plan at any time but to the extent shareholder approval is necessary pursuant to the 2008 Plan or marketplace rules of NASDAQ, an amendment may not become effective until we obtain shareholder approval.

The following table provides information as of April 23, 2013 about our common stock that may be issued upon the exercise of stock options under the 2008 Plan.

Non-Equity Incentive Plan.

We award annual cash bonuses under our Management Non-Equity Incentive Bonus Plan for achievement of specified performance objectives within a specific performance period, which is typically one year or less. We make awards from an established incentive pool. The Compensation and Stock Option Plan Committee determines the total size of our incentive pool by taking into account our financial performance. We believe this pool-based bonus system helps foster teamwork and ensures that all executives work collectively to improve our performance.

2012 Non-Equity Incentive Plan

For 2012, the Board approved the following bonus opportunities for our Named Executive Officers and other senior executives designated by the Compensation and Stock Option Plan Committee under our Management Non-Equity Incentive Bonus Plan:

1. **Net Operating Cash Flow Target.** This bonus opportunity was only available to senior executive officers. Senior executive officers were entitled to earn bonuses of up to 100% of their base salary should the Company meet all prescribed cumulative cash flow targets for 2012, which were measured at the end of the second quarter, at the end of the third quarter and on an annual basis. Senior executive officers were eligible for 25% of the bonus if the Company reached its cash flow target at the end of the second quarter, another 25% of the bonus if the Company reached its cash flow target at the end of the third quarter and the remaining 50% of the bonus if the Company reached its annual cash flow target for 2012.

The following table represents the 2012 cash flow targets and bonus opportunities:

2012 Cash Flow Targets

	<u>End of 2nd Quarter</u>	<u>End of 3rd Quarter</u>	<u>End of Year</u>
Cash Flow	\$ 3,200,000	\$ 6,300,000	\$ 9,750,000
Bonus Opportunity	25%	25%	50%

Based on the quarterly and annual 2012 actual cash flows, the senior executive officers did not qualify for any bonus as delineated above. Therefore, no bonuses were paid under this incentive plan.

2. **Net Operating Income Targets.** The Board established annual performance targets based on net operating income from operations (the "operating income targets"). This bonus opportunity is available to senior management of the Company (including our senior executive officers). Our Named Executive Officers and other senior management designated by the Compensation and Stock Option Plan Committee were eligible for a bonus if the Company achieved one of the three operating income targets as of the end of fiscal year 2012. To achieve a bonus opportunity, the actual net operating income for fiscal year 2012 must be equal to or greater than the annual performance target as set forth below. The maximum potential bonus that an eligible executive was entitled to receive under this bonus opportunity is 56% of his or her base salary.

The following table represents the 2012 net operating income targets and bonus opportunities:

2012 Net Operating Income Targets

	<u>1st Target</u>	<u>2nd Target</u>	<u>3rd Target</u>
Net Operating Income	\$ 1,000,000	\$ 2,000,000	\$ 2,900,000
Bonus Opportunity	19%	37%	56%

Based on the actual net operating income achieved in 2012, the senior management, including our senior executive officers, did not qualify for the bonus as delineated above. Therefore, no bonuses were paid under this incentive plan.

In summary, no bonuses were paid out in 2012 to the senior executive officers pursuant to the Net Cash Flow Target, nor to the senior management group, including the senior executive officers, pursuant to the Net Operating Income Target.

2013 Non-Equity Incentive Plan

For 2013, the Board has approved two bonus opportunities for our Named Executive Officers and other senior executives designated by the Compensation and Stock Option Plan Committee under our Management Non-Equity Incentive Bonus Plan.

The common measurement for both bonus opportunities is based on Adjusted Operating Income, which is determined as follows:

Income/(Loss) from Operations
+ Depreciation Expense
+ Amortization Expense
+ Stock Option Expense
<u>+ Net Inventory Reduction/(Increase)</u>
<u>Adjusted Operating Income</u>

1. Annual Bonus Opportunity

This bonus opportunity is available to senior management of the Company (including our senior executive officers). Our Named Executive Officers and other senior management designated by the Compensation and Stock Option Plan Committee will be eligible for a bonus if the Company achieves one of the four Adjusted Operating Income targets as of the end of fiscal year 2013. To achieve a bonus opportunity, the actual Adjusted Operating Income for fiscal year 2013 must be equal to or greater than the Adjusted Operating Income target as set forth below. The maximum potential bonus that an eligible senior executive officer will be entitled to receive under this bonus opportunity is 30% of his or her base salary. The maximum potential bonus for senior management, exclusive of senior executive officers, is 20% of his or her base salary.

The following table represents the 2013 net operating income targets and bonus opportunities:

2013 Adjusted Operating Income Targets – Annual Bonus

	<u>1st Target</u>	<u>2nd Target</u>	<u>3rd Target</u>	<u>4th Target</u>
Adjusted Operating Income*	\$10 million	\$11.5 million	\$13 million	\$14.3 million
Bonus Opportunity **	7.5% / 5.0%	15.0% / 10.0%	22.5% / 15.0%	30.0% / 20.0%

* Before accrual of Annual Bonus Opportunity.

** Senior executive officers / senior management exclusive of senior executive officers.

2. Quarterly Bonus Opportunity

This bonus opportunity is only available to senior executive officers. The Board and the Compensation and Stock Option Plan Committee implemented a quarterly bonus opportunity as an incentive for our senior executive officers to achieve Adjusted Operating Income above the annual bonus targets. To achieve a bonus opportunity, the actual Adjusted Operating Income, after ratable accrual of the annual bonus, must exceed the quarterly Adjusted Operating Income target. Once a quarterly bonus is earned, it is not subject to forfeiture based on the failure to meet future Adjusted Operating Income targets. The maximum potential bonus that an eligible senior executive officer will be entitled to receive under this bonus opportunity is 100% of his or her salary if the Company meets all prescribed Adjusted Operating Income targets.

The following table represents the 2013 Adjusted Operating Income targets and bonus opportunities:

2013 Adjusted Operating Income Targets – Quarterly Bonus

	End of 2 nd Quarter	End of 3 rd Quarter	End of Year
Adjusted Operating Income*	\$8.6 million	\$14.2 million	\$18.7 million
Bonus Opportunity	25%	25%	50%

* After ratable accrual of Annual Bonus Opportunity.

The Named Executive Officers and other senior executives participating in both bonus opportunities will be paid the greater of the bonus amounts achieved pursuant to the two bonus opportunities, but cannot be paid under both the annual and quarterly bonus opportunities. For 2013, the maximum bonus opportunity (expressed as a percentage of base salary) that could be earned by each Named Executive Officer under each of the two bonus opportunities discussed above is as follows:

Named Executive Officer	Position	Maximum Potential Bonus (Annual Bonus opportunity)	Maximum Potential Bonus (Quarterly Bonus opportunity)
Robert A. Sinnott, Ph.D.	CEO and Chief Science Officer	30%	100%
B. Keith Clark	Former Chief Operating Officer, Chief Legal Officer, and Corporate Secretary (resigned February 2013)	N/A	N/A
Alfredo Bala	Executive Vice President, Sales & Marketing	30%	100%

401(k) Plan

On May 9, 1997, we adopted a 401(k) Pre-tax Savings Plan (the “401(k) Plan”). All full time employees, including our Named Executive Officers, who have completed three months of service and are at least 21 years of age are eligible to participate in our 401(k) Plan. During 2012, employees were allowed to contribute to our 401(k) Plan up to the maximum annual limit of their current annual compensation, as statutorily prescribed. The 401(k) plan permits matching employer contributions in the amount of \$0.50 for each \$1.00 contributed by a participating employee up to a maximum of 2% of the participant’s annual salary. The 401(k) Plan also allows us to make discretionary profit-sharing contributions each year based upon our profit. We did not make any profit-sharing contributions in 2012. Employee contributions and our matching contributions are paid to a corporate trustee and are invested as directed by the participant. Our contributions to our 401(k) Plan vest over five years or earlier if the participant retires at age 65, becomes disabled, or dies. Payments to participants may be made in the case of financial hardship, and distributions may be made in a lump sum. Our 401(k) Plan is intended to qualify under Section 401(a) of the Code, so that contributions made by employees or by us to our 401(k) Plan, and income earned on these contributions, are not taxable to our employees until withdrawn from the 401(k) Plan.

(3) Pursuant to the Separation Agreement and Release and the terms of the 2008 Plan, these stock options will expire on June 18, 2013, unless exercised prior to such date.

Pension Benefits and Non-Qualified Deferred Compensation

Our Named Executive Officers do not participate in any pension plans (other than the 401(k) Plan) or non-qualified deferred compensation plans.

Option Exercises and Stock Vested

We have not granted stock awards to our Named Executive Officers and therefore, no stock awards vested in 2013. Our Named Executive Officers did not exercise any stock options during 2012.

Potential Payments Upon Termination or Change in Control

Each of our employment agreements with our Named Executive Officers provides for certain payments and benefits in the event of early termination. However, none of these employment agreements requires payment upon a change in control of the Company. The 2008 Plan does, however, provide for accelerated vesting of options in the event of a change in control or other event for which the Board determines such accelerated vesting would be equitable under the circumstances. The following discussion summarizes our payment obligations to our Named Executive Officers upon termination or change in control (as defined under “*Equity Compensation Plan Information*” above) assuming such termination or change in control occurred on December 31, 2012:

Dr. Robert A. Sinnott, Ph.D. – CEO and Chief Science Officer:

Under the terms of his employment agreement, if Dr. Sinnott resigns for good reason or we terminate Dr. Sinnott without cause or due to disability, he will continue to receive his base salary for twelve months from the termination date. Notwithstanding the statement above, if Dr. Sinnott’s employment is terminated for cause, if he resigns without good reason, or is terminated due to his death, he is entitled to (i) any remaining base salary earned and not yet paid through the termination date; (ii) any annual bonus, or portion thereof, that is earned through the termination date; (iii) all reimbursable expenses due but not yet paid through the termination date; and (iv) all earned or vested benefits (or an amount equivalent to the value of such benefits) payable under our benefit plans or arrangements through the termination date. Under the employment agreement, a termination for “cause” means (A) we determined that Dr. Sinnott has neglected, failed, or refused to render the services or to perform any other of his duties or obligations under his employment agreement, (B) Dr. Sinnott’s violation of any provision or obligation under his employment agreement, (C) Dr. Sinnott’s indictment for, or plea of no contest with respect to, any crime that adversely affects or may adversely affect us or the utility of Dr. Sinnott’s services to us, or (D) any other act or omission of Dr. Sinnott involving fraud, theft, dishonesty, disloyalty, or illegality that harms or embarrasses us. Dr. Sinnott may resign for “good reason” if we (W) deny any compensation due under his employment agreement, (X) require him to be based outside of Dallas County, Texas, (Y) decrease his title or pay or remove a material portion of his significant duties or responsibilities without his consent, or (Z) breach his employment agreement. For purposes of the agreement, the term “disability” means Dr. Sinnott becomes incapacitated by accident, sickness, or other circumstances that, in the reasonable judgment of the Board renders or is expected to render Dr. Sinnott mentally or physically incapable of performing the essential duties and services required of him under the agreement, with or without reasonable accommodation, for a period of at least 90 consecutive calendar days. As of December 31, 2012, Dr. Sinnott’s annual base salary was \$350,000, and his employment agreement will expire on December 15, 2013.

The following table shows the potential payments upon termination of Dr. Sinnott’s employment under the circumstances described above or the occurrence of a change in control assuming such termination or change in control occurred on December 31, 2012.

Termination Event	Cash Severance	Acceleration of Equity Incentive Awards	Total Termination Payments
Termination With Cause	\$ —	\$ —	\$ —
Termination Without Cause	\$ 350,000	\$ —	\$ 350,000
Resignation for Good Reason	\$ 350,000	\$ —	\$ 350,000
Resignation without Good Reason	\$ —	\$ —	\$ —

Death	\$ —	\$ —	\$ —
Non-Renewal of his Employment Agreement	\$ —	\$ —	\$ —
Change in Control	\$ —	\$ — ⁽¹⁾	\$ —

(1) Dr. Sinnott’s 495 unvested stock options have an exercise price that exceeded the closing price of \$5.62 on December 31, 2012; therefore, acceleration of these equity incentive awards is less than zero.

Alfredo (Al) Bala – Executive Vice President, Sales & Marketing:

Under the terms of his employment agreement, if Mr. Bala resigns for good reason or we terminate Mr. Bala without cause or due to disability, he will continue to receive his base salary through the end of the agreement term or for a period of twelve months from his last day of employment, whichever is longer. Notwithstanding the statement above, if Mr. Bala’s employment is terminated for cause, if he resigns without good reason, or is terminated due to his death, he is entitled to (i) any remaining base salary earned and not yet paid through the termination date; (ii) any annual bonus, or portion thereof, that is earned through the termination date; (iii) all reimbursable expenses due but not yet paid through the termination date; and (iv) all earned or vested benefits (or an amount equivalent to the value of such benefits) payable under our benefit plans or arrangements through the termination date. Under the agreement, a termination for “cause” means (A) we have determined that Mr. Bala has neglected, failed, or refused to render the services or to perform any other of his duties or obligations under the agreement, (B) Mr. Bala’s violation of any provision or obligation under the agreement, (C) Mr. Bala’s indictment for, or plea of no contest with respect to, any crime that adversely affects the utility of his services to us, or (D) any other act or omission of Mr. Bala involving fraud, theft, dishonesty, disloyalty, or illegality that harms or embarrasses us. The agreement defines a resignation for “good reason” as (W) any denial of compensation due and owing to Mr. Bala under the agreement, (X) any requirement that Mr. Bala be based anywhere other than Dallas County, Texas, except for travel incident to our business, (Y) our demotion of Mr. Bala in title or pay, or our removal of a material portion of Mr. Bala’s significant duties or responsibilities without Mr. Bala’s consent, or (Z) our material breach of the agreement. For purposes of the agreement, the term “disability” means Mr. Bala becomes incapacitated by accident, sickness, or other circumstances that, in the reasonable judgment of the Board renders or is expected to render Mr. Bala mentally or physically incapable of performing the essential duties and services required of him under the agreement, with or without reasonable accommodation, for a period of at least 90 consecutive calendar days. As of December 31, 2012, Mr. Bala’s annual base salary was \$300,000. Mr. Bala’s employment agreement will expire on December 15, 2013.

The following table shows the potential payments upon termination of Mr. Bala’s employment under the circumstances described above or the occurrence of a change in control assuming such termination or change in control occurred on December 31, 2012.

Termination Event	Cash Severance	Acceleration of Equity Awards	Total Termination Payments
Termination With Cause	\$ —	\$ —	\$ —
Termination Without Cause	\$ 300,000	\$ —	\$ 300,000

(1) Mr. Bala’s 1,000 unvested stock options have an exercise price that exceeded the closing price of \$5.62 on December 31, 2012; therefore, acceleration of these equity incentive awards is less than zero.

Mr. B. Keith Clark – Former Chief Operating Officer, Chief Legal Officer, and Corporate Secretary:

Under the terms of his employment agreement, if Mr. Clark resigns for good reason or we terminate Mr. Clark without cause or due to disability, he will continue to receive his base salary for twelve months from the termination date. Notwithstanding the statement above, if Mr. Clark’s employment is terminated for cause, if he resigns without good reason, or is terminated due to his death, he is entitled to (i) any remaining base salary earned and not yet paid through the termination date; (ii) any annual bonus, or portion thereof, that is earned through the termination date; (iii) all reimbursable expenses due but not yet paid through the termination date; and (iv) all earned or vested benefits (or an amount equivalent to the value of such benefits) payable under our benefit plans or arrangements through the termination date. Under the employment agreement, a termination for “cause” means (A) we determined that Mr. Clark has neglected, failed, or refused to render the services or to perform any other of his duties or obligations under his employment agreement, (B) Mr. Clark’s violation of any provision or obligation under his employment agreement, (C) Mr. Clark’s indictment for, or plea of no contest with respect to, any crime that adversely affects or may adversely affect us or the utility of Mr. Clark’s services to us, or (D) any other act or omission of Mr. Clark involving fraud, theft, dishonesty, disloyalty, or illegality that harms or embarrasses us. Mr. Clark may resign for “good reason” if we (W) deny any compensation due under his employment agreement, (X) require him to be based outside of Dallas County, Texas, (Y) decrease his title or pay or remove a material portion of his significant duties or responsibilities without his consent, or (Z) breach his employment agreement. For purposes of the agreement, the term “disability” means Mr. Clark becomes incapacitated by accident, sickness, or other circumstances that, in the reasonable judgment of the Board renders or is expected to render Mr. Clark mentally or physically incapable of performing the essential duties and services required of him under the agreement, with or without reasonable accommodation, for a period of at least 90 consecutive calendar days. As of December 31, 2011, Mr. Clark’s annual base salary was \$313,000. Effective in 2012, Mr. Clark’s annual base salary was increased to \$335,000 in connection with his promotion to Chief Operating Officer.

The following table shows the potential payments upon termination of Mr. Clark’s employment under the circumstances described above or the occurrence of a change in control assuming such termination or change in control occurred on December 31, 2012:

Termination Event	Cash Severance	Acceleration of Equity Awards	Total Termination Payments
Termination With Cause	\$ —	\$ —	\$ —

Named Executive Officers Stock Ownership Guidelines

We do not have stock ownership guidelines for our Named Executive Officers.

\$1 Million Pay Deductibility Cap

Under Section 162(m) of the Code (as interpreted by IRS Notice 2007-49), public companies are precluded from receiving a tax deduction on compensation paid to their chief executive officer and the three most highly compensated officers of the company (other than the chief executive officer and the chief financial officer) if such officer's compensation exceeds \$1 million, unless the compensation is excluded from the \$1 million limit as a result of being classified as performance-based compensation. Currently, our executive officers' cash compensation levels have not exceeded the \$1 million limit, and our stock option grants qualify as performance-based compensation under Section 162(m). Nonetheless, we annually review all of our executive officers' compensation in an effort to comply with Section 162(m).

Review and Approval of Related Party Transactions

Our Audit Committee reviews all relationships and transactions, including relationships and transactions with our directors, director nominees, executive officers and their immediate family members, as well as holders known by us to own more than 5% of any class of our voting securities and their family members, who have a direct or indirect material interest. Although the Board does not have a formal policy with respect to related party transactions, in approving or rejecting such proposed transactions, our Audit Committee considers the nature of the related party transaction, the amount and material terms of the transaction, whether the transaction is on terms no less favorable to Mannatech than terms generally available in a similar transaction with an unaffiliated third party, whether the transaction would impair the judgment of a director or executive officer to act in the best interest of Mannatech, and other facts and circumstances available and deemed relevant to our Audit Committee.

REPORT OF THE AUDIT COMMITTEE

Our purpose is to assist the Board in overseeing its financial reporting, internal controls, and audit functions. Larry A. Jobe has been the Audit Committee's Chairman since February 2007 and is designated by the Board as the financial expert of our Audit Committee. Other members include Messrs. Gerald E. Gilbert, Alan D. Kennedy and Robert A. Toth. The Board has determined that each of the Audit Committee's members meet the independence and financial literacy requirements for purposes of serving on such committee under applicable rules of NASDAQ and the SEC. We operate under a written charter adopted by the Board. We review and address the adequacy of our charter on an annual basis. See our Amended Audit Committee Charter, which is posted on the Company's corporate website at www.mannatech.com.

We are responsible for reviewing the Company's consolidated financial statements, its systems of internal controls, and internal control over financial reporting. The Company's independent registered public accounting firm is responsible for auditing our consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) ("PCAOB"). Our activities are in no way designed to supersede or alter our responsibilities or the responsibilities of the Company's independent registered public accounting firm. We assist the Board in fulfilling its responsibilities for oversight of the quality and integrity of the Company's accounting, auditing, and reporting practices, and such other duties as directed by the Board. Our role does not provide any special assurances with regard to the Company's consolidated financial statements, nor does it involve a professional evaluation of the quality of audits performed by the Company's independent registered public accounting firm. We strengthened our ability to assist the Board of Directors, and formed a subcommittee called the Disclosure Committee. The Disclosure Committee is comprised of high level employees and officers who report to us and the Company's Chief Executive Officer and Chief Financial Officer. The Disclosure Committee is responsible for reviewing all of the Company's filings with the SEC. We have furnished the Board with the following report:

We have reviewed and discussed with the Company's management their consolidated audited financial statements as of and for the year ended December 31, 2012, and the certification process required by the Sarbanes-Oxley Act of 2002. The Company has represented to us that its consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America. We have also discussed the following with BDO USA, LLP, the Company's independent registered public accounting firm: (i) the auditor's responsibilities, (ii) any significant issues arising during the audit, and (iii) other matters required to be discussed by Statement on Auditing Standards No. 61, "Communication with Audit Committees," as amended by Statement on Auditing Standards No. 90, "Communications with Audit Committees" and No. 114 "The Auditor's Communication with those Charged with Governance." We received the written disclosures from BDO USA, LLP required by Rule 3520 of the PCAOB. We have discussed with the Company's independent registered public accounting firm the accounting firm's independence from Company management. In addition, we have discussed the adequacy of the Company's internal control over financial reporting with the Company's independent registered public accounting firm and its management.

Based on the review and discussions referred to above, we recommended to the Board and the Board subsequently approved, that the Company's year-end audited consolidated financial statements be included in the Company's 2012 Annual Report on its Form 10-K for the year ended December 31, 2012 for filing with the SEC.

FREQUENTLY ASKED QUESTIONS

Our Board of Directors (the “Board”) urges all shareholders to read all of the information included in the proxy materials provided to them. As a courtesy, the Board is providing each shareholder with the following list of frequently asked questions in hopes of eliminating some of the more commonly asked questions and keeping our shareholders informed of the various policies and procedures that must be followed for the 2013 Annual Shareholders’ Meeting.

1. Why did I receive a Notice of Internet Availability of Proxy Materials this year instead of a paper copy of the proxy materials?

Pursuant to rules promulgated by the SEC, we are providing access to our proxy materials over the Internet. As a result, we are mailing to many of our shareholders a Notice of Internet Availability of Proxy Materials instead of a paper copy of our proxy materials. The notice contains instructions on how to access our proxy materials over the Internet, as well as instructions on how to request a paper copy of our proxy materials by mail.

2. Why didn’t I receive a Notice of Internet Availability of Proxy Materials?

We are providing some of our shareholders, including those who have previously requested to receive paper copies of the proxy materials, with paper copies of the proxy materials instead of the Notice of Internet Availability of Proxy Materials. In addition, we are providing the Notice of Internet Availability of Proxy Materials by e-mail to those shareholders who have previously elected delivery of the proxy materials electronically. Those shareholders should have received an e-mail containing a link to the website where materials are available.

If you received a paper copy of the proxy materials, you may elect to receive future proxy materials electronically by following the instructions on your proxy card or voting instruction form. Choosing to receive your future proxy materials by e-mail will help us conserve natural resources and reduce the costs of printing and distributing our proxy materials.

3. How can I access the proxy materials over the Internet?

Your Notice of Internet Availability of Proxy Materials or proxy card will contain instructions on how to view our proxy materials for the 2013 Annual Shareholders’ Meeting on the Internet. Our proxy materials are also available on our company website at <http://www.mannatech.com>.

4. What is the difference between a proxy-voting card and a ballot?

A proxy-voting card is mailed to a shareholder. The proxy-voting card gives specific instructions on how to cast a vote prior to our 2013 Annual Shareholders’ Meeting by mail, telephone, or the Internet. The instructions on the proxy-voting card are different depending on whether the shareholder owns shares directly or through a broker. Shareholders should read and follow all of the instructions in their packets to ensure their votes are counted. Ballots will be handed out at the 2013 Annual Shareholders’ Meeting to shareholders of record who own shares on the close of business on April 12, 2013.

5. What shares owned by a shareholder can be voted either by proxy or at the 2013 Annual Shareholders’ Meeting?

All shares owned directly by a shareholder of record or indirectly as a beneficial owner as of the record date, April 12, 2013, may be voted by the shareholder prior to the meeting by telephone or through the Internet, or by returning a proxy card, without having to attend the shareholder meeting in person. At the 2013 Annual Shareholders’ Meeting, shares may be voted using a ballot by (i) shareholders of record who are verified with a valid form of identification and (ii) beneficial owners who are verified with a power of attorney from the broker of record giving them authority to vote at the meeting. If a shareholder does not have this information from his or her broker, our Inspector of Elections will not be able to count such shareholder’s vote because the broker may have already cast a vote on such shareholder’s behalf. We strongly recommend that a shareholder read the instructions on the Notice of Internet Availability of Proxy Materials or on the proxy-voting card received by the shareholder or provided by the shareholder’s broker prior to the 2013 Annual Shareholders’ Meeting to understand how to cast a vote at the meeting. A shareholder’s broker can usually mail or fax a shareholder any necessary paperwork prior to the meeting.

6. What is the difference between direct ownership and beneficial ownership?

A shareholder has DIRECT OWNERSHIP over its shares if such shareholder is a holder of record of our common stock, meaning the shareholder either holds stock certificates in the shareholder's own name or holds book-entry shares registered in the shareholder's own name. This is evidenced by the shareholder's receipt of all mailings directly from either our transfer agent, Computershare, or us. A shareholder has BENEFICIAL OWNERSHIP over its shares if such shareholder has delivered its stock certificates to a broker or purchased shares through a broker and receives all of our mailings either from a broker or through a solicitor, which is usually Broadridge Financial Solutions, Inc. As a beneficial owner, the shareholder still owns the shares, but our transfer agent does not have individual shareholders' names from the brokers. The only information our transfer agent has is the aggregate total number of shares each broker of record holds on behalf of its clients.

7. How is voting different for direct holders versus beneficial owners?

Our transfer agent has the names of the shareholders who directly hold shares of our common stock, but it does not have any detailed information (such as the individual names or number of shares held) concerning shareholders who own shares through brokers. Only the individual brokers have the detailed information about each shareholder's beneficial ownership. Each brokerage group is responsible for reporting its clients' votes to our transfer agent and for providing all mailings to our shareholders who own stock through their brokerage firm. Each brokerage group also has its own set of instructions on how to cast a vote with such brokerage firm.

8. What does it mean if I received more than one set of materials?

This means your shares are registered with different names. For example, you may own some shares directly as a "holder of record" and other shares through a broker in "street name," or you may own shares through more than one broker. In these situations, you may receive multiple sets of proxy materials. It is necessary for you either to attend in person (please note, however, that if a broker or other nominee holds your shares of record and you wish to vote at the meeting, you must obtain from that registered holder a proxy card issued in your name), follow the instructions to vote your shares by telephone or through the Internet provided in the Notice of Internet Availability of Proxy Materials or return a signed, dated and marked proxy card if you received a paper copy of the proxy card. If you vote by mail, make sure you return each proxy card in the return envelope that accompanied that proxy card.

9. Can I change my proxy vote?

Both direct shareholders and beneficial shareholders can revoke a proxy-vote prior to commencement of the 2013 Annual Shareholders' Meeting. Attendance at the 2013 Annual Shareholders' Meeting will not in itself constitute a revocation of a shareholder's proxy-vote. Generally, shareholders may revoke their proxy-vote by submitting a new proxy-vote with a later date or by voting in person at our 2013 Annual Shareholders' Meeting. Shareholders should call the telephone number listed within the shareholder information packets to obtain specific instructions on how to revoke their proxy-vote. Specific instructions on how to revoke a proxy-vote may be different depending on whether a shareholder is a direct shareholder of record or a beneficial shareholder.

Each set of instructions should include the shareholder's account number and the solicitor's telephone number and email address. Our Inspector of Elections will only count the verified proxy-votes received from each shareholder and brokerage firm with the latest date. Each share of our common stock represents one vote. Shareholders should call the telephone number provided to them in their shareholder information packets if they are unsure or have any questions. Telephone numbers may be different depending on whether a shareholder is a direct shareholder of record or a beneficial shareholder. The telephone numbers may also be different if a shareholder holds shares at different brokerage firms.

10. How can I attend the 2013 Annual Shareholders' Meeting?

The 2013 Annual Shareholders' Meeting will be held on June 5, 2013 at 9:00 a.m., Central Daylight Time, at the Grapevine Convention Center in Grapevine, Texas. Shareholders will be admitted upon check-in. No cameras or recording equipment will be permitted in the meeting room.

11. Where can I find the voting results of the 2013 Annual Shareholders' Meeting?

We will announce preliminary voting results of the 2013 Annual Shareholders' Meeting in a press release issued on or about June 5, 2013, and will publish final voting results on Form 8-K, which is expected to be filed with the Securities and Exchange Commission ("SEC") on or before June 11, 2013.

12. Can I have someone else cast a vote for me at the 2013 Annual Shareholders' Meeting?

In order to have someone else cast your vote at the meeting, you must provide the person with whom you would like to cast your vote a power of attorney form. This person is called a shareholder designee ("designee"). A valid power of attorney form must be notarized and contain the following:

- the date;
- the full name of the designee;
- the number of shares you hold and to be voted by the designee;
- the nature and extent of the authority granted to the designee;
- the expiration date that terminates the designee's rights to cast your vote on your behalf; and
- your signature.

The original power of attorney form must be attached to the ballot that is turned in at the meeting by the designee. If you are a beneficial owner, you must also provide the proper documentation from your broker of record to the designee, which would allow you to vote and attend the meeting. The designee should then attach all of the original form(s) to the ballot to be turned in at the 2013 Annual Shareholders' Meeting.

The designee must complete a separate ballot and attach the original power of attorney form and/or the proper documentation from the broker (only if the shares are held through a broker) and must sign each ballot as your designee.

13. How can I vote against the nominee for the Board?

To vote against our Board nominee, you should check the "WITHHOLD" box next to the name of the nominee on the proxy-voting card or ballot.

14. How can I write-in a nominee for the Board?

You CANNOT write-in additional Board nominees on your proxy-voting card when voting by mail, telephone, or the Internet. You may ONLY write-in the names of additional nominees for whom you wish to vote in person on the ballot at the 2013 Annual Shareholders' Meeting.

To write-in a nominee on the ballot at the 2013 Annual Shareholders' Meeting, you should check the "WITHHOLD" box. You should then write-in your nominee(s) in the blank provided. You may only write in one nominee.

15. How can I recommend that a person be listed on the ballot as a nominee for the Board?

Shareholder recommendations for nominee(s) for the Board should have been submitted to our CFO by December 31, 2012, in order for the Board to have considered such persons for nomination at the 2013 Annual Shareholders' Meeting. Nominee recommendations should include a candidate's name, age, biographical information, and qualifications. Upon receipt, our CFO forwards the list of nominees to our Nominating, Governance and Compliance Committee. Our Nominating, Governance and Compliance Committee reviews all of the nominees and recommends a list of nominees to the Board. The Board then votes on the nominees. Only the nominees approved by the Board will be listed on our ballot, proxy-voting card, and in our proxy statement on Schedule 14A, which is expected to be filed with the SEC on or before April 23, 2013. To submit recommendations for a nominee to the Board at the 2014 Annual Shareholder Meeting, a shareholder should submit in writing the nominees information to our CFO by December 31, 2013. The nomination should be either faxed to (972) 471-7342 or mailed to our CFO at Mannatech, Incorporated, 600 S. Royal Lane, Suite 200, Coppell, Texas 75019.

16. How are the votes counted?

Our Inspector of Elections will be responsible for tabulating all of the votes for the 2013 Annual Shareholders' Meeting. The presence, in person or by proxy-vote, of the holders of at least a majority of shares of our common stock outstanding, as of the record date, is necessary to have a quorum for the 2013 Annual Shareholders' Meeting. "ABSTAIN" votes and "broker non-votes" will be counted as present for purposes of determining a quorum. A "broker non-vote" occurs when brokers or nominees return a properly executed proxy but do not vote on a particular matter because they have no discretionary power to vote and have received no instructions from the beneficial owners thereof or persons entitled to vote thereon.

In tabulating the votes, if a proxy-vote or ballot is signed by the shareholder but submitted without providing specific voting instructions, the shareholder's vote will be counted as a vote "FOR" each of the proposals.

For Proposal 1 (Election of Director) — Assuming a quorum is obtained, our Class II director will be elected by a plurality of the shares represented, in person or by proxy, at the 2013 Annual Shareholders' Meeting and entitled to vote. This means that the nominee receiving the highest number of affirmative votes at the meeting will be elected as our Class II director. Votes marked "FOR" will be counted in favor of the nominee. Votes marked "WITHHOLD" will be counted against the nominee. Shareholders may not abstain from voting with respect to the election of directors.

A shareholder cannot write-in the names of additional nominees when voting by proxy. However, at the meeting, shareholders of record will be allowed to write-in an additional name of a nominee on the ballot. To write-in a nominee on the ballot, the shareholder will need to check the "WITHHOLD" box. The shareholder will then be allowed to write-in the nominee of his or her choice.

For Proposal 2 (Ratification of Auditors) — If a quorum is obtained, and a majority of the shares represented, in person or by proxy, at the 2013 Annual Shareholders' Meeting and entitled to vote, are in favor of Proposal 2, the ratification of the appointment of our independent registered public accounting firm for the year ended December 31, 2013, will be approved. Votes marked "FOR" Proposal 2 will be counted in favor of the ratification of the appointment of our independent registered public accounting firm for the year ended December 31, 2013. An abstention from voting on Proposal 2 will not be voted on that item, although it will be counted for purposes of determining the number of shares represented and entitled to vote. Accordingly, an "ABSTENTION" will have the same effect as a vote "AGAINST" Proposal 2.

For Proposal 3 ("Say-on-Pay" Advisory Vote) — If a quorum is obtained, and a majority of shares represented, in person or by proxy, at the 2013 Annual Shareholders' Meeting and entitled to vote, are in favor of Proposal 3 the current executive compensation program will be approved by shareholders on an advisory basis. Votes marked "FOR" Proposal 3 will be counted in favor of the current executive compensation program. An abstention from voting on Proposal 3 will not be voted on that item, although it will be counted for purposes of determining the number of shares represented and entitled to vote. Accordingly, an "ABSTENTION" will have the same effect as a vote "AGAINST" Proposal 3. "Broker non-votes" will not be counted as votes cast "FOR" or "AGAINST" Proposal 3 and thus will have no effect on the outcome of the approval, on an advisory basis, of our executive compensation program.

For Proposal 4 ("Say-on-Frequency" Advisory Vote) — If a quorum is obtained, the selection of the frequency of a shareholder advisory vote on executive compensation will be chosen by a plurality of the shares represented, in person or by proxy, at the 2013 Annual Shareholders' Meeting and entitled to vote. This means the frequency receiving the highest number of affirmative votes at the meeting will be the frequency of future "Say-on-Pay" shareholder advisory votes that has been selected by our shareholders. For purposes of the vote on Proposal 4, "ABSTENTION" and "broker non-votes" will have no effect on the outcome of the selection, on an advisory basis, of the frequency for an advisory vote on executive compensation.

17. What should I do if I never received my proxy materials or if the proxy materials have been lost?

You should contact your broker's customer service department. The broker should verify that you were a shareholder on the close of business on April 12, 2013 and give you specific instructions on how to obtain new proxy materials and cast a vote. Anyone can view our 2013 proxy statement by logging onto our corporate website, www.mannatech.com.
