To cast your vote using the proxy-voting card, simply complete the enclosed proxy-voting card, sign, date, and return the card in the pre-addressed envelope contained in your proxy information packet. PROXY STATEMENT FOR OUR 2005 ANNUAL SHAREHOLDERS' MEETING
TO BE HELD ON JUNE 13, 2005

General Information

The Board of Directors of Mannatech, Incorporated, a Texas corporation, is soliciting the enclosed proxy for use at its 2005 Annual Shareholders' Meeting to be held on June 13, 2005 at 10:00 a.m., Central Daylight Time, at the Grapevine Convention Center at 1209 South Main Street, Grapevine, Texas. This proxy statement, Mannatech's 2005 annual shareholders' report, and the proxy-voting card are being mailed or delivered on or about April 29, 2005 to shareholders owning Mannatech stock on the close of business on April 19, 2005. The list of frequently asked questions is attached to this proxy statement as [Appendix A](#). Unless otherwise stated, all references in this proxy statement to "Mannatech," the "Company," "us," "our," or "we" are to Mannatech, Incorporated.

Shareholders Entitled to Vote

Shareholders who owned common stock of Mannatech as of the close of business on April 19, 2005, the record date, are called "*shareholders of record*" and are entitled to vote at our 2005 Annual Shareholders' Meeting. As of April 11, 2005, we had 27,117,877 outstanding shares of common stock, \$0.0001 par value, which is our only class of outstanding voting securities. As of April 11, 2005, we had approximately 4,200 shareholders that held their common stock directly and approximately 10,000 beneficial shareholders who held their stock through approximately 113 brokers who represents approximately 60% of Mannatech's total common stock outstanding. Each share of Mannatech common stock entitles the shareholder to one vote. A complete list of direct shareholders entitled to vote at our 2005 Annual Shareholders' Meeting will be available for examination by shareholders for purposes pertaining to Mannatech's 2005 Annual Shareholders' Meeting at our corporate headquarters, in Coppell, Texas, during normal business hours, from May 30, 2005 until June 8, 2005 and will be available for review during Mannatech's 2005 Annual Shareholders' Meeting to be held on June 13th, 2005. A shareholder who wants to examine the list prior to Mannatech's Annual Shareholders' Meeting should arrange an appointment by contacting Mannatech's Investor Relations department at 972-471-6512.

Voting by Proxy

Properly executed votes by proxy received prior to our 2005 Annual Shareholders' Meeting will be counted by EquiServe Trust Company N.A., our transfer agent, at our Annual Shareholders' Meeting on June 13, 2005 and at any adjournment(s) or postponements(s) thereof. If a shareholder specifies how their proxy-vote is to be cast on any business to come before the meeting, it will be voted in accordance with such specifications. If no specification is made, the shareholder's vote by proxy will be voted "FOR" each of the proposals as recommended by our Board of Directors. A shareholder may revoke, at any time prior to our Annual Shareholders' Meeting, their executed vote by proxy by submitting a revised vote by proxy bearing a later date. Attendance at our 2005 Annual Shareholders' Meeting without voting by ballot will not revoke a shareholders' previously submitted vote by proxy.

Direct Ownership

For the purpose of determining how to vote your shares at our 2005 Annual Shareholders' Meeting, you are deemed to have "Direct ownership" over your Mannatech shares if you hold your original stock certificates directly in your name, which is typically evidenced by your receipt of all of Mannatech's mailings directly from either Mannatech, or its transfer agent – EquiServe Trust Company N.A.

[Table of Contents](#)

Beneficial Ownership

For the purposes of determining how to vote your shares at our 2005 Annual Shareholders' Meeting, you are deemed to have "beneficial ownership" over your Mannatech shares if you 1) deposited your stock certificates with a broker; 2) purchased your Mannatech shares directly through a broker; or 3) sent your stock certificates to a broker to be deposited into your brokerage account. Beneficial ownership is typically evidenced by a shareholder receiving all of Mannatech's mailings from either their broker or through their broker's solicitor, which is usually ADP Proxy Services. As a beneficial owner, a shareholder still owns their shares, but Mannatech's transfer agent does not have access to any list of individual shareholders' names from the various brokers. The only information Mannatech's transfer agent has about shareholders who owns stock through brokers is the broker's name, the aggregate total number of shares held by each broker on behalf of its clients, and the aggregate number of votes cast for any proposals.

WE CAUTION OUR SHAREHOLDERS THAT each brokerage firm has a unique set of voting instructions, which may differ from the instructions provided by Mannatech's transfer agent. As a result, a shareholder should always read all the information provided in each of the proxy information packet(s) received and follow the specific voting instructions enclosed in each packet received in regard to applicable telephone numbers, Internet addresses, mailing addresses, and attending our Annual Shareholders' Meeting.

If a shareholder receives more than one proxy information packet it means that shares are registered in more than one account. Again, remember that each proxy information packet may have different voting instructions, account or control numbers, mailing addresses, Internet addresses, and telephone numbers. As a result, each shareholder should be cautioned to use only the set of voting instructions, account and control numbers, addresses, and telephone numbers provided in each proxy information packet to ensure their vote is properly included in the tabulation of votes.

Beneficial shareholders are also instructed to read the proxy-voting card instructions given to them by each broker or each brokers' solicitor prior to the meeting in order to obtain instructions on how to attend and vote at our 2005 Annual Shareholders' Meeting. If the beneficial shareholder does not follow their brokers' instructions, our transfer agent will not count their vote by ballot at our Annual Shareholders' Meeting.

Tabulating the Votes

Representatives from Mannatech's transfer agent, EquiServe Trust Company N.A. are responsible for tabulating all of the votes for Mannatech's 2005 Annual Shareholders' Meeting. The presence, in person, or by proxy-vote, of the holders of at least a majority of shares of our common stock outstanding as of the record date is necessary to have a quorum for Mannatech's 2005 Annual Shareholders' Meeting. Abstentions and broker "non-votes," if any, will be counted as present for purposes of determining a quorum for Mannatech's 2005 Annual Shareholders' Meeting. A broker "non-vote" occurs when brokers or nominees return a properly executed proxy but do not vote on a particular matter because they have no discretionary power to vote and have received no instructions from the beneficial owners thereof or persons entitled to vote thereon. If a proxy-voting card is signed by the shareholder but submitted without providing specific voting instructions, the shareholder's vote will be counted as a vote "FOR" each of the proposals.

For **Proposal 1** – The four nominees receiving the highest number of "FOR" votes from the shares present in person or represented by proxy-votes at our 2005 Annual Shareholders' Meeting and entitled to vote and cast at our 2005 Annual Shareholders' Meeting will be elected as Directors. The shares represented by the enclosed proxy-voting card will be voted "FOR" all of the nominees, unless the shareholder specifies differently. To specify differently the shareholder must check either the box "FOR ALL NOMINEES EXCEPT" or "WITHHELD." If the shareholder checkmarks the "FOR ALL NOMINEES EXCEPT" box, the shareholder should then list the names of the nominee(s) they wish to vote against in the space provided. If the shareholder checkmarks the "WITHHELD" box, the shareholder's vote will be considered a vote against *all* of the named nominees. Because Proposal 1 is a routine matter for which specific instructions from beneficial owners will not be required, no "broker non-votes" will arise in the context of Proposal 1.

[Table of Contents](#)

A shareholder cannot write-in the names of additional nominees when voting by proxy. However, at Mannatech's 2005 Annual Shareholders' Meeting, shareholders of record will be allowed to write-in additional names of nominee(s) on the ballot. To write-in a nominee on the ballot the shareholder will need to checkmark either the "WITHHELD" box or the "FOR ALL NOMINEES EXCEPT" box on the ballot and then list the names of the nominees they wish to vote against in the space provided. The shareholder is allowed to write-in only as many nominees as the shareholder has voted against. For example, if there are a total of three nominees listed on the ballot and the shareholder wishes to withhold their vote for two of the three nominees then the shareholder should list the names of the two nominees for whom the vote is withheld and write-in up to two additional names for nominees to Mannatech's Board of Directors.

For **Proposal 2** – the ratification of the appointment of our independent registered public accounting firm, "ABSTENTIONS" will be counted as a vote "against" the appointment of our independent registered public accounting firm. The ratification of the appointment of our independent registered public accounting firm requires a "FOR" vote from a majority of shares present or represented by proxy votes entitled to vote at Mannatech's 2005 Annual Shareholders' Meeting. Because Proposal 2 is a routine matter for which specific instructions from beneficial owners will not be required, no "broker non-votes" will arise in the context of Proposal 2.

MANNATECH'S BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" PROPOSAL 1 AND PROPOSAL 2.

Solicitation of Proxy-Votes

Mannatech may solicit proxy-votes through the mail, in person, and by telecommunications. Mannatech will bear all expenses in preparing, printing, and mailing the proxy materials to its shareholders.

Admission and Voting at Our Annual Shareholders' Meeting

Voting at Mannatech's 2005 Annual Shareholders' Meeting is limited to shareholders of record having evidence of ownership as of the record date. If your securities are not held in your name, Mannatech may require you to show evidence of your ownership at the meeting. Evidence typically includes your proxy-voting card or your brokerage statement showing proof of stock ownership as of the close of business on April 19, 2005. At the meeting, shareholders will be given a ballot upon verification of stock ownership.

Mannatech will tape the meeting in its entirety and therefore, Mannatech will not allow any other cameras or recording equipment in the meeting room. As a courtesy and as time permits, Mannatech will provide a brief question and answer period for its shareholders of record.

Direct shareholders will be given ballots upon verification of stock ownership. Remember that beneficial shareholders must obtain a power of attorney form or legal proxy from their broker prior to the meeting in order for a vote by ballot to be counted at our meeting. **Beneficial shareholders are urged prior to the meeting, to read their proxy-voting card instructions on how to attend and vote at our Annual Shareholders' Meeting, as well as contact their broker prior to the meeting to ensure they obtain the proper paperwork in order to vote at our meeting. If the beneficial shareholder does not follow his or her brokers' instructions, our transfer agent will not count their vote by ballot at our Annual Shareholders' Meeting.** The instructions are usually located on the back of the proxy-voting card.

Shareholder Procedures for Nominating Board Members or Introducing Proposals

For the 2005 Annual Shareholders' Meeting

For Mannatech's 2005 Annual Shareholders' Meeting, the deadline for recommending a nominee for nomination to Mannatech's Board of Directors and for introducing proposals to be included in this proxy information package expired on December 28, 2004. A shareholder of record is prohibited from writing in nominees for Mannatech's Board of Directors on their proxy-voting card. However, a shareholder of record may write-in nominees for Mannatech's Board of Directors on their ballot at our 2005 Annual Shareholders' Meeting by following the instructions outlined above on page 3, under the heading "*Tabulating the Votes.*" Mannatech reserves its right to reject, rule out-of-order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

Table of Contents

Subject and pursuant to Rule 14a-4(c) (1) under the Securities Exchange Act of 1934, as amended, Mannatech has not been given notice of any shareholder proposals intended to be presented at Mannatech's 2005 Annual Shareholders' Meeting without inclusion in its proxy statement. Because Mannatech did not receive notice of any shareholder proposals intended to be presented at our 2005 Annual Shareholders' Meeting by March 13, 2005, your properly executed proxy card will confer discretionary authority on the holder of your proxy to vote your shares in the manner the holder so chooses on any such shareholder proposals presented at our 2005 Annual Shareholders' Meeting. Mannatech's Board of Directors reserves the right to reject, rule out-of-order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements. Mannatech did not receive any nominees for directors from shareholders or shareholder proposals for its 2005 Annual Shareholders' Meeting.

For the 2006 Annual Shareholders' Meeting

Under Mannatech's Fourth Amended and Restated Bylaws, dated August 8, 2001, our Nominating and Governance Committee of our Board of Directors recommends all candidates for nomination to Mannatech's Board of Directors. If a shareholder would like Mannatech's Nominating and Governance Committee to consider specific candidates for nomination to its Board of Directors, a shareholder should deliver written notice to Mannatech's Chief Financial Officer at its United States corporate headquarters, located at 600 S. Royal Lane, Suite 200, Coppell, TX. 75019, or fax (972) 471-5848. Written notice of such proposed candidates for Director should be delivered no later than December 28, 2005 to allow Mannatech's Board of Directors time to consider such persons for nomination at its 2006 Annual Shareholders' Meeting. The written notice should include the candidates' full name, age, biographical background, and qualifications. The Chief Financial Officer will forward all written notices to Mannatech's Nominating and Governance Committee. Mannatech's Nominating and Governance Committee consists of a total of four directors, three of whom are independent Directors and one who is a non-independent director. Mannatech's Nominating and Governance Committee reviews each proposed candidate and submits a recommended list of proposed candidates to Mannatech's Board of Directors. Mannatech's Board of Directors then approves a list of proposed candidates, which are the only nominees that are listed on its ballot, its proxy-voting card, and in its proxy statement on Schedule 14A. Mannatech expects to file its 2006 proxy statement with the United States Securities and Exchange Commission on or before April 28, 2006.

Proposals by shareholders that comply with all applicable provisions of Rule 14a-8 under the Securities Exchange Act of 1934, intended to be presented at Mannatech's 2006 Annual Shareholders' Meeting must be delivered in writing to Mannatech's Chief Financial Officer at its United States corporate offices, on or before December 30, 2005, in order to be eligible for inclusion in Mannatech's 2006 proxy statement and proxy-voting card.

Subject to and pursuant to Rule 14a-4(c) (1) under the Securities Exchange Act of 1934, if a shareholder proposal is intended to be presented at Mannatech's 2006 Annual Shareholders' Meeting without inclusion in its 2006 proxy statement and notice of such proposal is not submitted in writing to Mannatech's Chief Financial Officer by March 15, 2006, then with regard to any such shareholder proposals, a properly executed proxy card for Mannatech's 2006 Annual Shareholders' Meeting will confer discretionary authority on the holder of a shareholder's proxy to vote such shareholder's shares in the manner the proxy holder so chooses. However, Mannatech's Board of Directors reserves the right to reject, rule out-of-order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

A copy of Mannatech's Fourth Amended and Restated Bylaws, dated August 8, 2001, may be obtained upon written request to Mannatech's General Counsel, Ms. Bettina Simon, at Mannatech, Incorporated, 600 S. Royal Lane, Suite 200, Coppell, Texas 75019 or by reviewing the Bylaws in Exhibit 99.1 of Mannatech's Form 8-K filed with the United States Securities and Exchange Commission on August 22, 2001.

PROPOSAL 1—ELECTION OF DIRECTORS

Our Bylaws provide for a classified Board of Directors, divided into three staggered classes – I, II, and III. The terms of office for each of these classes are scheduled to expire on the dates of our Annual Shareholders' Meeting in 2006, 2007, and 2005, respectively. At our 2005 Annual Shareholders' Meeting, one Class I Director who was appointed by our Board of Directors on October 6, 2004 to fill a vacancy on the Board which was caused by an increase in the size of the Board, and three Class III Directors are up for election.

Nominees

Donald A. Buchholz is the nominee for the Class I Director. Our Board of Directors increased the size of our Board and appointed Mr. Buchholz to fill the vacancy on our Board caused by such increase on October 6, 2004. The three Class III Director nominees to be elected at our 2005 Annual Shareholders' Meeting are Messrs. Terry L. Persinger, Alan Kennedy, and John Axford, BSc, MD, FRCP. Once elected our Class I Director term will expire on the earlier of the date of our 2007 Annual Shareholders' Meeting or the date of his disqualification, resignation, death, or removal. Once elected our Class III Directors' terms will expire on the earlier of the date of our 2008 Annual Shareholders' Meeting or the date of their disqualification, resignation, death, or removal.

(OUR BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" EACH OF THESE NOMINEES. A "FOR" VOTE ON A PROXY OR BALLOT WILL BE SO VOTED UNLESS A CONTRARY VOTE IS INDICATED BY THE SHAREHOLDER. CLASS III DIRECTORS WILL BE ELECTED BY A PLURALITY OF THE VOTES CAST BY THE HOLDERS OF OUR COMMON STOCK REPRESENTED IN PERSON OR BY PROXY AT OUR MEETING.)

PROPOSAL 2 — RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Shareholder ratification of the selection of Mannatech's independent registered public accounting firm is not required by Mannatech's Articles of Incorporation or Bylaws, as amended, or other applicable legal requirements. However, Mannatech's Board of Directors, as a matter of good corporate governance, has always sought shareholder ratification of the appointment of our independent registered public accounting firm. For the fiscal year ending December 31, 2005, the Board is seeking shareholder ratification of the appointment of Grant Thornton LLP as its independent registered public accounting firm.

Our Audit Committee appoints Mannatech's independent registered public accounting firm on an annual basis. The decision is based on a number of factors including the scope of the audit, the independence of the auditors, estimated audit fees, and non-auditing services that are performed by the independent registered public accounting firm. PricewaterhouseCoopers LLP served as Mannatech's independent registered public accounting firm and has audited our consolidated financial statements, as well as provided certain tax and consulting services since 1997. On April 27, 2005, Mannatech informed PricewaterhouseCoopers LLP that at its meeting on April 27, 2005, Mannatech's Audit Committee approved the dismissal of PricewaterhouseCoopers LLP as Mannatech's independent registered public accounting firm upon completion of PricewaterhouseCoopers LLP's quarterly review of Mannatech's consolidated financial statements for the quarter ended March 31, 2005.

On April 27, 2005, Mannatech's Audit Committee engaged Grant Thornton LLP as its new independent registered public accounting firm for the year ending December 31, 2005, subject to Grant Thornton LLP's completing its customary client acceptance procedures.

The reports of PricewaterhouseCoopers LLP on our consolidated financial statements for the years ended December 31, 2004 and 2003 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principle. During the years ended December 31, 2004 and 2003 and through April 27, 2005, Mannatech had no disagreements with PricewaterhouseCoopers LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of PricewaterhouseCoopers LLP, would have caused it to make reference thereto in its reports on Mannatech's consolidated financial statements for such years.

During the years ended December 31, 2004 and 2003, and through April 27, 2005, there have been no reportable events (as defined in Item 304(a)(1)(v) of Regulation S-K under the Securities Exchange Act of 1934, as amended).

[Table of Contents](#)

During the years ended December 31, 2004 and 2003, and through April 27, 2005 (the date Grant Thornton LLP accepted its appointment), Mannatech did not consult with Grant Thornton LLP regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

Representatives from both PricewaterhouseCoopers LLP and Grant Thornton LLP will also attend our 2005 Annual Shareholders' Meeting and will have the opportunity to make statements if they so desire, and will also be available to respond to any appropriate questions from Mannatech's shareholders.

Pre-Approval Policies and Procedures

All services provided by our independent registered public accounting firm must be preapproved by Mannatech's Audit Committee. The non-audit services specified in Section 10-A(g) of the Securities Exchange Act of 1934 may not be provided by our independent registered public accounting firm.

Each year, the approval of the estimated annual audit, audit-related, and routine tax services takes place at the Audit Committee meeting. In addition, during the course of the year requests for unforeseen or additional allowable services to be provided by our independent registered public accounting firm must be preapproved by Mannatech's Audit Committee, except for those qualifying for the de minimis exception. The de minimis exception provides that the pre-approval requirements for certain non-audit services may be waived if:

- the aggregate amount of such non-audit services provided to Mannatech constitutes not more than 5% of the total fees paid by Mannatech to its independent registered public accounting firm in the calendar year that such non-audit services are provided;
- such services were recognized by Mannatech as non-audit services at the time they were provided; and
- such services are promptly brought to the attention of the Audit Committee.

The Audit Committee may delegate to its Chairman of the Audit Committee the authority to grant preapprovals. In such event, the decisions of the Chairman regarding preapprovals will then be presented to the full Audit Committee at the next scheduled meeting.

Our independent registered public accounting firm provides a revised estimate for the year, by project, for all planned and approved services to the Chief Financial Officer prior to each regularly scheduled Audit Committee meeting, which is then reviewed at the Audit Committee meeting.

⁽¹⁾ The increase in 2004 fees was primarily related to services in connection with Section 404 of the Sarbanes-Oxley Act of 2002 and consulting related to international expansion.

The de minimis exception described above was not used for any fees paid to PricewaterhouseCoopers LLP in 2003 and 2004 as all fees were pre-approved by Mannatech's Audit Committee. Mannatech was advised by PricewaterhouseCoopers LLP that neither the firm, nor any member of its firm, have any direct or indirect financial interest in any capacity in Mannatech. The members of Mannatech's Audit Committee believe that the payment of all fees set forth above does not prohibit PricewaterhouseCoopers LLP from maintaining its independence.

Pursuant to National Association of Security Dealers Listing Standards Rule 4200, a company's board of directors is allowed to appoint one non-independent member to serve up to two years as a member of its compensation committee and/or nominating committee. To qualify as a non-independent member under the "exceptional and limited circumstances rule", among other things, neither the member or their family members can currently be an officer or employee of the company. Based upon this rule, Mannatech's Board of Directors determined that J. Stanley Fredrick meets the qualifications of the "exceptional and limited circumstances rule" and appointed him as Chairman of its Compensation and Stock Option Plan Committee and its Nominating and Governance Committee, effective August 7, 2003. The Board, as well as its independent directors, believed it was important to appoint Mr. Fredrick to these Committees because he maintains a wealth of knowledge about Mannatech, its business objectives and goals; has expertise in both the direct selling industry and negotiating contracts and agreements, and is a major shareholder of Mannatech. The Board of Directors believes that Mr. Fredrick is instrumental in helping articulate Mannatech's overall philosophy, culture, and future direction to the Committees, whose members have expertise in a variety of areas, but are all relatively new to Mannatech.

The Committees and their functions are as follows:

- **Audit Committee.** Patricia A. Wier, Chairman, is designated as the Audit Committee financial expert, as defined in Item 401 of Regulation S-K under the Securities Exchange Act of 1934. Each of the voting Audit Committee members are independent as the term is defined in Rule 4200(a) (15) of the Nasdaq National Market listing standards. Mannatech's Audit Committee is primarily responsible for approving all services provided by Mannatech's independent registered public accounting firm, reviewing Mannatech's annual audit results, and meeting with Mannatech's independent registered public accounting firm to periodically review Mannatech's internal controls, internal control over financial reporting, and financial management practices. Mannatech's Audit Committee's responsibilities are stated more fully in its amended and restated charter, which is published on Mannatech's website at www.mannatech.com. Mannatech's Audit Committee's report, as required by the United States Securities and Exchange Commission rules, appears in this proxy statement on page 22.
- **Compensation and Stock Option Plan Committee.** All of the Compensation and Stock Option Plan Committee members, except for Mr. Fredrick, are independent Directors. Mr. Fredrick is not independent, but the Compensation and Stock Option Plan Committee Charter allows Mr. Fredrick, a non-independent Director, to serve as a committee member for up to two years because he meets the requirements of the "exceptional and limited circumstances" rules of the Nasdaq Stock Market, as described above. None of Mannatech's executive officers is serving as members of any board of directors or as a member of any other compensation committee for any other entity that has or has had one or more of their executive officers serving as a member of Mannatech's Board of Directors or on its Compensation and Stock Option Plan Committee. Mannatech's Compensation and Stock Option Plan Committee is primarily responsible for establishing all compensation for Mannatech's executive officers and Directors, including salaries, bonuses, for granting stock options, and for administering Mannatech's stock option plans. Mannatech's Compensation and Stock Option Plan Committee's responsibilities are stated more fully in its amended and revised charter, which is published on Mannatech's website at www.mannatech.com. Mannatech's Compensation and Stock Option Plan Committee's report, as required by the United States Securities and Exchange Commission rules, appears in this proxy statement on page 24.

REPORT OF THE COMPENSATION AND STOCK OPTION PLAN COMMITTEE

Mannatech's Report of the Compensation and Stock Option Plan Committee summarizes Mannatech's executive compensation policies and the basis for the compensation paid to its Executive Officers, including Mr. Samuel L. Caster, Mannatech's Chief Executive Officer, during the year ended December 31, 2004.

Compensation policy. Mannatech's policy with respect to its executive compensation is designed to:

- adequately and fairly compensate its Executive Officers in relation to their responsibilities, capabilities and contributions to Mannatech in a manner that is commensurate with compensation paid by other similarly-sized companies or other companies within the same industry; and
- reward its Executive Officers for the achievement of short-term operating goals and the enhancement of long-term value.

Components of compensation. The primary components of compensation paid to Mannatech's Executive Officers and the relationship of such components of compensation to Mannatech's performance are discussed below:

- (a) **Base salary.** During each year Mannatech's Compensation and Stock Option Plan Committee reviews the base salaries of Mannatech's Executive Officers to ensure its salaries are reasonable based upon a number of factors. These factors include Mannatech's performance (to the extent such performance can fairly be attributed or related to each Executive Officer's performance), as well as the nature of each Executive Officer's responsibilities, capabilities, loyalties, and contributions. Mannatech's Compensation and Stock Option Plan Committee believes that the base salaries for Mannatech's Executive Officers are reasonable in relation to executive compensation practices of other similarly-sized companies or other companies within the same industry.
- (b) **Bonus.** Each Executive Officer is eligible to participate in Mannatech's Management Bonus Plan. The bonus plan is based upon Mannatech achieving certain performance goals and achieving consolidated financial results, which are certified by its independent registered public accounting firm. Bonuses earned by Mannatech's Executive Officers are reviewed and approved by its Compensation and Stock Option Plan Committee and paid by March 15th of the following year. For fiscal year 2004, Mannatech declared an aggregate cash bonus of \$1.3 million, which was paid on March 8, 2005.
- (c) **All other annual compensation.** Mannatech maintains certain other plans and arrangements for the benefit of its Executive Officers and other members of its management, including participation in its 401(K) plan, payment of travel expenses, and enrollment in health, life, automobile, and long-term disability insurance. All of its Vice Presidents are paid monthly auto allowances of \$500. In addition, Senior or Executive Vice Presidents and above are either paid an auto allowance of \$1,000 or provided with a company-leased vehicle. Mannatech's Compensation and Stock Option Plan Committee believes that these benefits are reasonable in relation to executive compensation practices of other similarly-sized companies or other companies within the same industry.
- (d) **Long-term compensation.** Mannatech maintains stock option plans to reward its executives and employees for the attainment of certain goals or events. Stock option grants are reviewed and approved by the Compensation and Stock Option Plan Committee. Mannatech's Compensation and Stock Option Plan Committee believes these long-term compensation arrangements are reasonable in relation to executive compensation practices of other similarly-sized companies or other companies within the same industry.

2004 Chief Executive Officer's Compensation. As previously described, Mannatech's Compensation and Stock Option Plan Committee considers several factors in determining Mannatech's Chief Executive Officer's compensation package. The primary factors focus on preset performance goals and Mannatech's financial performance. Specific actions taken by the Compensation and Stock Option Plan Committee regarding Mr. Caster's compensation paid in 2004 are summarized below:

- (a) **Base salary.** Mr. Caster's base salary was based on a number of factors, including Mannatech's overall performance, attainment of personal performance goals, and achievement of its budgeted consolidated financial results, as well as the nature of Mr. Caster's responsibilities, capabilities, loyalties, and contributions to Mannatech's performance. For fiscal year 2004, Mr. Caster's base salary was \$600,000 per annum.
- (b) **Bonus.** Mr. Caster participated in Mannatech's Management Bonus Plan. The bonus plan is based upon the attainment of certain performance goals and the attainment of certain consolidated financial results, which are certified by Mannatech's independent registered public accounting firm. For fiscal year 2004, Mannatech declared a cash bonus of \$362,200 for Mr. Caster, which was paid on March 8, 2005.
- (c) **All other annual compensation.** Mr. Caster, as well as all other executive officers, may participate in Mannatech's 401(K) plan; however during 2004, Mr. Caster did not participate in the Mannatech 401(K) Plan. Mr. Caster was also provided with a company leased vehicle, reimbursed for certain personal travel expenses, and enrolled in health, life, automobile, and disability insurance.
- (d) **Long-term compensation.** None.

\$1 million pay deductibility cap. Under Section 162(m) of the United States Internal Revenue Code, public companies are precluded from receiving a tax deduction on compensation paid to any of their executive officers whose compensations exceeds \$1 million, unless the compensation is excluded from the \$1 million limit as a result of being classified as performance-based compensation. At this time, Mannatech's executive officers' cash compensation levels have not exceeded the \$1 million limit and the Compensation and Stock Option Plan Committee does not anticipate exceeding this limit in the near future. Nonetheless, Mannatech's Compensation and Stock Option Plan Committee annually reviews all of its executive officers' compensation in light of Section 162(m).

Conclusion. Mannatech's Compensation and Stock Option Plan Committee believes the concepts discussed above further Mannatech's shareholders' interests and encourage responsible management by its executive officers. Notwithstanding, Mannatech's Compensation and Stock Option Plan Committee will regularly monitor and consider the effect of executive compensation on Mannatech's shareholders' interests. The factors set forth above, reports from the various Committees of the Board of Directors, and information compiled by, various independent consultants are used in determining the total compensation paid to or on behalf of its executive officers.

REPORT OF THE AUDIT COMMITTEE

The purpose of the Audit Committee is to assist Mannatech's Board of Directors in overseeing its financial reporting, internal controls, and audit functions. Mrs. Patricia A. Wier is the Chairman and designated financial expert of Mannatech's Audit Committee, as determined by its Board of Directors. In addition to Mrs. Wier, the Audit Committee is comprised of Messrs. Gerald E. Gilbert, Alan D. Kennedy, and Donald A. Buchholz. All of these members are independent as the term is defined in Rule 4200(a)(15) of the National Association of Securities Dealers listing standards and Rule 10A-3 of the Securities Exchange Act of 1934, as amended. The Audit Committee operates under a written charter adopted by the Mannatech Audit Committee and its Board of Directors. Mannatech's Audit Committee reviews and addresses the adequacy of its charter on an annual basis. Mannatech publishes its Amended and Restated Audit Committee Charter dated March 9, 2004, on its corporate website www.mannatech.com.

Mannatech is responsible for the preparation of its consolidated financial statements and its systems of internal controls, and internal control over financial reporting. The independent registered public accounting firm is responsible for auditing Mannatech's consolidated financial statements in accordance with generally accepted auditing standards of the United States of America. The activities of the Audit Committee are in no way designed to supersede or alter the responsibilities of Mannatech or its independent registered public accounting firm. The Audit Committee assists Mannatech's Board of Directors in fulfilling its responsibilities for oversight of the quality and integrity of the accounting, auditing, and reporting practices of Mannatech and such other duties as directed by Mannatech's Board of Directors. The Audit Committees' role does not provide any special assurances with regard to Mannatech's consolidated financial statements, nor does it involve a professional evaluation of the quality of the audits performed by its independent registered public accounting firm. To strengthen the Audit Committee's ability to assist the Board of Directors, the Audit Committee formed a subcommittee called the Disclosure Committee. The Disclosure Committee is comprised of thirteen high level employees officers who report to the Audit Committee, as well as Mannatech's Chief Executive Officer and Chief Financial Officer. The Disclosure Committee is responsible for reviewing all of Mannatech's filings with the United States Securities and Exchange Commission. Mannatech's Audit Committee has furnished its Board of Directors the following report:

The Audit Committee has reviewed and discussed with Mannatech's management its consolidated audited financial statements of and for the year ended December 31, 2004, and the certification process required by the Sarbanes-Oxley Act of 2002. Mannatech has represented to the Audit Committee that its consolidated financial statements were prepared in accordance with generally accepted accounting principles of the United States of America. The Audit Committee has also discussed the following with Mannatech's independent registered public accounting firm (1) the auditor's responsibilities, (2) any significant issues arising during the audit, and (3) other matters required to be discussed by Statements on Auditing Standards No. 61, "Communication with Audit Committees," as amended by statement on Auditing Standard No. 90 "Communications with Audit Committees." The Audit Committee received the written disclosures and the letter from Mannatech's independent registered public accounting firm required by the Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," as amended, and has discussed with the independent registered public accounting firm, the independent registered public accounting firm's independence from management. In addition, the Audit Committee discussed the adequacy of Mannatech's internal controls, disclosure controls, and internal control over financial reporting, with its independent registered public accounting firm and management.

Based on the review and discussions referred to above, the Audit Committee recommended to Mannatech's Board of Directors and the Board of Directors subsequently approved that the year-end audited consolidated financial statements be included in Mannatech's 2004 Annual Report on its Form 10-K for the year ended December 31, 2004 for filing with the United States Securities and Exchange Commission.

In 2001, the Company agreed to modify the terms of the note receivable with Mr. Charles Fioretti as part of his separation and release agreement. Mr. Fioretti is a former Chairman and Chief Executive Officer of the Company. Under the terms of the modified agreement dated June 4, 2001, Mr. Fioretti's remaining principal balance of \$127,000 continues to accrue interest and was due on the earlier of February 17, 2011, or 13 days after the date in which Mr. Fioretti no longer owns at least 100,000 shares of the Company's common stock. As of December 31, 2004, Mr. Fioretti owed principal and interest related to this note of approximately \$144,000, payable in 2005.

In June 2003, the Company modified an agreement with Mr. J. Stanley Fredrick, a board member, to increase the annual payment to Mr. Fredrick to \$285,000 because he was performing additional functions for the Company. In November 2003, the Company cancelled this agreement and entered into a Lock-Up Agreement whereby the Company pays Mr. Fredrick \$185,000 per year for his agreement not to sell his shares. However, in June 2004, the Company's Board of Directors authorized Mr. Fredrick to sell up to 350,000 shares of his stock. During 2004, Mr. Fredrick sold 350,000 shares of his common stock. As of December 31, 2004, Mr. Fredrick continues to hold 3,150,000 shares of the Company's common stock. In June 2004, the Company signed another three-year agreement with St. George's Hospital to fund the research costs related to the clinical study for a clinical trial involving one of the Company's products, totaling approximately \$0.7 million, of which \$0.2 million was paid in 2004. St. George's Hospital is located in London, England where Dr. Axford is the principal investigator in the clinical trial funded by the Company for St. George's Hospital.

Transactions involving the Chairman and Chief Executive Officer

In December 2004, Mr. Samuel Caster, Chairman of the Board and Chief Executive Officer, entered into an agreement with a former employee, Dr. H. Reginald McDaniel. Under this agreement, Mr. Caster agreed to sell Dr. McDaniel 180,000 shares of his common stock at \$2.66 per share. On the date of this agreement, the fair market value of the Company's common stock was \$19.59 per share. Certain Transactions with Marlin Ray Robbins

Ray Robbins holds multiple positions in Mannatech's associate global downline network-marketing system, four of which related to the cancellation of an agreement with Mr. Robbins in June 1999. In addition, Mannatech paid associate commissions totaling \$174,000 in 2002, \$287,000 in 2003, and \$0.3 in 2004 to Kevin Robbins and his wife Dawn Robbins, who are associates and the son and daughter-in-law of Ray Robbins. All commissions paid to Ray Robbins and his immediate family members were paid in accordance with Mannatech's global associate career and compensation plan.

Ray Robbins also provides various consulting services to Mannatech and travels extensively speaking at various functions to promote Mannatech's business. Mannatech reimburses Mr. Robbins for his expenses related to his consulting and traveling.

Dated: April 29, 2005

**MANNATECH, INCORPORATED
FREQUENTLY ASKED QUESTIONS**

Mannatech's Board of Directors urges each shareholder to read all of the information included in its proxy materials provided to them. As a courtesy, Mannatech's Board of Directors is providing each shareholder with a list of frequently asked questions herein in hopes of eliminating some of the more commonly asked questions and helping to make sure its shareholders are informed of the various policies and procedures that must be followed for its 2005 Annual Shareholders' Meeting.

1. What information is contained in these materials?

The information in Mannatech's proxy statement contains information about its proposals, background information about its Board nominees, and compensation of Mannatech's Officers and Board of Directors. In addition, the materials include Mannatech's 2004 shareholders' annual report, Form 10-K, Proxy Statement, and a proxy-voting card, which provides shareholders instructions on how to cast their vote.

2. What is the difference between a proxy-voting card and a ballot?

A proxy-voting card is what is mailed to a shareholder. The proxy-voting card gives specific instructions on how to cast a vote by mail, telephone, or the Internet. The instructions on the proxy-voting card are different depending on whether the shareholder owns shares directly or own shares through a broker. Shareholders should be sure they read and follow all of the instructions in your packet to ensure your vote is counted. Ballots will be handed out at Mannatech's 2005 Annual Shareholders' Meeting to shareholders of record who own shares on the close of business on April 19, 2005.

3. What shares owned by a shareholder can be voted either by proxy or at the annual meeting?

All shares owned by a shareholder directly or as a beneficial owner as of the record date may be voted by the shareholder prior to the meeting using the proxy-voting card. At Mannatech's 2005 Annual Shareholders' Meeting, shareholders who directly own their shares will be verified and given a ballot card. At the meeting, beneficial owners of record will be verified by beneficial shareholders having a power of attorney form from their broker allowing them to vote at the meeting. If a shareholder does not have this information from their broker, Mannatech's transfer agent will not be able to count their vote as their broker may have already cast a vote on their behalf. Mannatech strongly recommends that shareholders read the back of their proxy-voting cards prior to the 2005 Annual Shareholders' Meeting to understand how they can cast their vote at the meeting. A shareholder's broker can usually mail or fax a shareholder any necessary paperwork prior to the meeting.

4. What is the difference between direct ownership and beneficial ownership?

A shareholder has DIRECT OWNERSHIP over Mannatech's shares if such shareholder directly holds the stock certificates in their own name, which is evidenced by the shareholder receiving all of Mannatech's mailings from either Mannatech, or its transfer agent, EquiServe Trust Company N.A.

A shareholder has BENEFICIAL OWNERSHIP over Mannatech's shares if such shareholder has delivered its stock certificates to a broker or purchased shares through a broker and receives all of Mannatech's mailings either from a broker or through a solicitor, which is usually ADP Proxy Services. As a beneficial owner, the shareholder still owns Mannatech shares, but Mannatech's transfer agent does not have individual shareholders' names from the brokers. The only information Mannatech's transfer agent has about shareholders owning stock through their broker is the aggregated total number of shares each broker holds on behalf of its clients.

5. What does it mean if a shareholder receives more than one proxy-voting card?

If a shareholder receives more than one proxy-voting card it means that such shareholder's shares are registered with different names or the shareholder has more than one account in which it holds shares of Mannatech stock. Each proxy-voting card may have different instructions, telephone numbers, or email addresses so a shareholder should be sure they read all instructions on the back of each proxy-voting card.

6. How is voting different for direct holders versus beneficial owners?

Mannatech's transfer agent has the names of the shareholders who directly hold shares of Mannatech stock, but does not have any detailed information such as the individual shareholder names who own shares held through their brokers. Only the individual brokers have the detailed information about each shareholders' beneficial ownership or individuals who own Mannatech stock through their brokerage group. Each brokerage group is responsible for reporting their shareholders votes to Mannatech's transfer agent and for all mailings to Mannatech's shareholders who own stock through their brokerage firm. Each brokerage group also has its own set of instructions on how to cast a vote with such brokerage firm, using their proxy-voting card.

7. Can a shareholder change their proxy vote?

Both direct shareholders and beneficial shareholders can revoke their proxy-vote prior to the 2005 Annual Shareholders' Meeting. Attendance at the 2005 Annual Shareholders' Meeting will not in itself constitute a revocation of a shareholder's proxy-vote. Generally, shareholders may revoke their proxy-vote by submitting a new proxy-vote with a later date or by voting in person at the Annual Shareholders' Meeting. A shareholder should contact the customer service department listed within the information packet received to obtain specific instructions on how to revoke their proxy-vote. Specific instructions on how to revoke their proxy-vote may be different depending on whether you are a direct shareholder or a beneficial shareholder.

Each set of instructions should include the shareholder's account number, the solicitor's telephone number, and their email address. Mannatech's transfer agent will only count the verified proxy-votes received with the latest date as the vote by each shareholder and brokerage firm. Each share of Mannatech's stock represents one vote. A shareholder should contact the customer service telephone number provided to them in their shareholder information packet if they are unsure or have any questions. Telephone numbers may be different depending on whether a shareholder is a direct shareholder or a beneficial shareholder. The telephone numbers may also be different if a shareholder holds shares at different brokerage firms.

8. How can a shareholder attend Mannatech's 2005 Annual Shareholders' Meeting?

The 2005 Annual Shareholders' Meeting will be held on June 13, 2005 at 10:00 a.m., Central Daylight Time, at the Grapevine Convention Center in Grapevine, Texas. Shareholders will be admitted upon check-in and verification of stock ownership. No cameras or recording equipment will be permitted in the meeting room as Mannatech will be taping the meeting in its entirety.

9. Where can a shareholder find the voting results of Mannatech's 2005 annual meeting?

Mannatech will announce preliminary voting results of its 2005 Annual Shareholders' Meeting in a press release and will publish final voting results in its quarterly report on Form 10-Q for the second quarter of 2005, which is expected to be filed with the SEC on or before August 9, 2005.

10. Can a shareholder have someone else cast a vote for them at Mannatech’s shareholders’ meeting?

In order to have someone else cast their vote a shareholder must provide the person with whom they would like to cast their vote a power of attorney form. This person is called a shareholder designee (“designee”). A valid power of attorney form must be notarized and contain the following:

- the date;
- the full name of the designee;
- the number of shares held by the shareholder to be voted by the designee;
- the nature and extent of the authority granted to the designee;
- an expiration date that terminates the designee’s rights to cast a shareholder’s vote on their behalf; and
- the shareholder’s signature.

The original power of attorney form must be attached to the ballot that is turned in by the designee. If the original shareholder is a beneficial owner, the original shareholder must also provide the proper documentation from their broker to the designee, which would allow the original shareholder to vote and attend the meeting. The designee should then attach all of the original form(s) to the ballot to be turned in at Mannatech’s 2005 Annual Shareholders’ Meeting.

The designee must complete a separate ballot and attach the original power of attorney form and/or the proper documentation from the broker (only if the shares are held through a broker) and must sign each ballot as the designee for each shareholder.

11. How can a shareholder vote against some or all of the nominees for Mannatech’s Board of Directors?

To vote against some but not all of the Board nominees a shareholder should checkmark the “FOR ALL NOMINEES EXCEPT” box on their proxy-voting card or ballot and write-in the nominee(s) name they wish to vote against in the space provided.

If a shareholder wants to withhold their vote for all of the nominees, they can checkmark the “WITHHELD” box on their proxy-voting card or ballot.

12. How can a shareholder write-in a nominee for Mannatech’s Board of Directors?

A shareholder CANNOT write-in nominees on their proxy-voting card when they vote by mail, telephone, or the Internet. A shareholder can ONLY write-in the names of additional nominees they wish to vote for on the ballot at Mannatech’s 2005 annual shareholder meeting.

To write-in a nominee on the ballot the shareholder needs to checkmark either the “WITHHELD” box or “FOR ALL NOMINEES EXCEPT” box. The “WITHHELD” box casts their vote against all of the nominees, whereas a vote “FOR ALL NOMINEES EXCEPT” casts their vote for all of the nominees except for the nominees they list in the blank provided. Any of the nominees not listed in the blank provided will be automatically voted as “FOR” all of the nominees. A shareholder can only write-in as many nominees as they voted against. For example, if there were a total of three nominees listed on the ballot and a shareholder withheld a vote for two of the three nominees, two additional nominees may be written in.

13. How can a shareholder recommend that a person to be listed on the ballot as a nominee?

A shareholder needed to submit recommendations for nominee(s) for the Board of Directors to Mannatech's CFO by December 28, 2004 so that Mannatech's Board of Directors could consider such persons for nomination at its 2005 Annual Shareholders' Meeting. The nominee recommendations need to include a candidate's name, age, biographical information, and qualifications. The CFO forwards the list of nominees to the Nominating and Governance Committee of its Board of Directors. The Nominating and Governance Committee reviews all of the nominees and recommends a list of nominees to its Board of Directors. Mannatech's Board of Directors then votes on the nominees. The nominees approved by Mannatech's Board of Directors are the only nominees that will be listed on the ballot, proxy-voting card and in Mannatech's proxy statement on Schedule 14A, which is expected to be filed with the SEC on or before April 29, 2005. To submit recommendations for a nominee to Mannatech's Board of Directors at its 2006 Annual Shareholder Meeting, a shareholder should submit in writing the nominees information to Mannatech's CFO by December 31, 2005. The nomination should be either faxed to 972-471-5848 or mailed to Mannatech's CFO at Mannatech, Incorporated, 600 S. Royal Lane, Suite 200, Coppell, Texas 75019.

14. How are the votes counted?

Representatives from Mannatech's transfer agent, EquiServe Trust Company N.A., will be responsible for tabulating all of the votes for Mannatech's 2005 Annual Shareholders' Meeting. The presence, in person or by proxy-vote, of the holders of at least a majority of shares of Mannatech's common stock outstanding as of the record date is necessary to have a quorum for its 2005 Annual Shareholders' Meeting. Abstentions and broker "non-votes", will be counted as present for purposes of determining a quorum. A broker "non-vote" occurs when brokers or nominees return a properly executed proxy but do not vote on a particular matter because they have no discretionary power to vote and have received no instructions from the beneficial owners thereof or persons entitled to vote thereon.

In tabulating the votes, if a proxy-vote or ballot is signed by the shareholder but submitted without providing specific voting instructions the shareholder's vote will be counted as a vote "FOR" each of the proposals.

For Proposal 1, the election of Mannatech's Board of Directors, assuming that a quorum is present, the four nominees receiving the highest number of "FOR" votes from the shares present in person or represented by proxy-votes and casts at the 2005 Annual Shareholders' Meeting in person or by proxy-vote will be elected as Directors. Because Proposal 1 is a routine matter for which specific instructions from beneficial owners will not be required, no "broker non-votes" will arise in the context of Proposal 1.

For Proposal 2, the ratification of the appointment of independent registered public accounting firm, "ABSTENTIONS" will be counted as a vote "against" this proposal. The ratification of appointment of independent registered public accounting firm requires a "FOR" vote from a majority of shares present or represented by proxy-votes entitled to vote at Mannatech's 2005 Annual Shareholders' Meeting. Because Proposal 2 is a routine matter for which specific instructions from beneficial owners will not be required, no "broker non-votes" will arise in the context of Proposal 2.

15. What should a shareholder do if they never received their proxy materials or if the proxy materials have been lost?

If a shareholder owns shares directly and they never received their proxy-voting card or voting materials or if proxy-voting card and/or proxy materials has been lost or stolen they can call Equiserve's customer service telephone number at (877) 498-8861, who will verify that they are a direct shareholder holding shares on the close of business on April 19, 2005. Once verified, the solicitor will mail or fax them the information packet and provide them with instructions on how they can cast their vote by mail, telephone, or the Internet.

If a shareholder is a beneficial shareholder, meaning they own their shares through a broker, they should contact their broker's customer service department. The broker should verify that they are a shareholder on the close of business on April 19, 2005 and give them specific instructions on how to obtain a new proxy-voting card, information packet and how to cast their vote. Anyone can view Mannatech's 2005 proxy statement by logging onto their corporate website www.mannatech.com.
